

Why?
Having a consistently high annual snow fall helps, but we're also surrounded by public land, thousands of lakes and an endless number of groomed and ungroomed trails. On top of that, the City works with the Elliot Lake Snowbirds Snowmobile Club to ensure that trails are maintained in the off season and our grooming equipment is always up to the task of grooming so much snow.

That's why!
a natural choice

ASSUMPTIONS FOR OFSC TRAIL USE

AS AN OFF-ROAD EXPERIENCE, SNOWMOBILING IS AN INHERENTLY RISKY ACTIVITY. THE OFSC ASSUMES EVERY RIDER USING AN OFSC PRESENTED TRAIL UNDERSTANDS AND ACCEPTS THIS:

- All snowmobiles will be operated under a lawful trail use permit.
- All operators and passengers willingly use the trails at their own risk.
- It is recognized and accepted that snowmobiling is essentially an off-road activity taking place in an open vehicle and the operator is responsible for their own risk.
- The OFSC is a volunteer-based organization with finite resources and manpower.
- It is not practical, possible or desirable to maintain all trails offering or to remove all potential hazards.
- The OFSC is providing the privilege of trail access without any guarantee of service or quality.
- Operators and passengers will not consume alcohol prior to or while using the trails.
- Operators and passengers will be prudent and responsible and shall ensure that snowmobiles are operated with appropriate care and control at all times.
- Operators and passengers know how to snowmobile competently and understand that the operation of snowmobiles requires full cognitive abilities.
- Weather conditions affect trails and snowmobile operation and they may change without warning.
- The maximum speed on trails is 50km/h unless reduced by law or conditions.
- There may be permitted users on the trail other than snowmobilers.
- Operators will stay to the right of the trail, notwithstanding that there are no center lines.
- Operators know that there may be grooming or other maintenance activities under way at any time of the day or night which may take up the whole or any part of the trail and have the right of way.
- Operators and passengers know that snowmobile trails are not engineered highways.
- All operators and passengers know and will adhere to the principles published in the Safe Riders Pledge by the International Snowmobile Manufacturers Association.
- Operators and passengers are aware that emergency and cell phone service may not be available.
- Operators and passengers are aware that there are generally no legal requirements for signage on trails and, when provided, it is only for assistance and convenience.
- Operators and passengers know that snowmobiling on OFSC trails is regarded as a family-oriented activity.
- Operators and passengers know the unique and particular dangers of ice coating.
- The grooming and maintenance of trails, when provided, is meant solely to enhance the comfort and enjoyment of the safe and prudent operators and passengers.
- Operators and passengers will drive responsibly for all conditions and will have appropriate safety and emergency equipment at all times.
