Train-in Fishing

Discover a Trip That Unique

Looking for a remote experience without having to fly? There are multiple lodges to choose from along the VIA rail line in Algoma Country, each providing an experience as unique as its location. Departing on the rail line can be from several locations, so this experience is closer than you may think. You can prepare your own meals in a housekeeping cabin or enjoy the pampering of a full American Plan that includes meals prepared in the main lodge and in addition to daily housekeeping service.

The lodges along the rail line system can brag about huge northern pike, walleye, whitefish, perch, lake trout and brookies! Imagine a shore lunch after a morning of fishing with these offerings. Once your arm is tired from hauling in your catch, many of these lodges offer ways to explore nature such as kayaking or canoeing the calm waters of their remote lakes.

Awesome Algoma

By Gord Pyzer

Fifty-year anniversaries are golden, but this one is extra special. I went on my first fly-in fishing trip 50 years ago. But it didn't come about the way you might think. I was starting university at the time and my dad had dreamed for years about flying into an untouched body of water where he would experience world class fishing. But he had grown up during the Depression, served with the RCAF over seas during World War II and I knew, deep down, that he thought it was only wishful thinking. So, I saved up some money from my summer job, contacted a fly-in air service located in Algoma and booked a trip for us to fly into their outpost camp on Jembi Lake. I surprised him with the trip at Christmas.

Seven months later, we boarded a piston Beaver float plane filled with our food and fishing gear and spent a fun-filled week catching walleye and northern pike. Both of our dreams had come true. That trip also started a love affair with Algoma Country that has lasted to this day. It's where I stared at the stars on a lonely Lake Superior beach while catching steelhead trout and where I landed my first Atlantic salmon in the St. Marys River in downtown Sault Ste. Marie.

WORD ASSOCIATION

"Algoma Country is to fishing, what Las Vegas is to gambling," chuckles Angelo Viola, the popular co-host of the Fish'n Canada television show. "Yes, there are a lot of great places in Ontario where you can experience world class angling, but when you say, Algoma, you've said it all."

When I play the same word association game with my friend, Scott Gardner, on the other hand, he says that space, distance and water are the three things that immediately come to mind. "By that I mean there are not many towns, not many people and a lot of great places to go fishing," says Gardner, who is the Associate Editor and Fly Fishing Editor of Outdoor Canada Magazine. "I don't particularly enjoy rubbing shoulders with other anglers when I am out on the water. But I know that once I go north of the gateway city that is not going to be a problem."

Trophy Alley is how Mark Melnyk describes his favourite patch of Algoma heaven just north of the North Channel of Lake Huron. "This is where the big fish live," says Melnyk, who produces The New Fly Fisher television series, as well as the Orvis Guide To Fly Fishing. "With a catch and release spring bass season north of Highway 17, you can target trophy size fish all year long. I actually pulled my fly away from a 7-pound smallmouth once because there was an even bigger nine-pound fish following it."

SIZE AND NUMBERS

Bass aren't the only fish that grow to epic proportions in Algoma, a point not missed by Pete Bowman, who shares the Fish'n Canada co-hosting chores with Viola. "The combination of walleye size and numbers is what pushes Algoma over the top for me," says Bowman. "A lot of people think that the further north you go, the bigger the walleye you are going to catch. But it is not true. The far north lakes produce numbers beyond belief - 50 to 100 fish a day - but catching a monster can be tough. In Algoma Country, however, there are so many lakes with so many big, fat walleye that it boggles my mind."

"I remember one time, Ang and I were shooting an episode. We were staying at one of the lodges on a northern lake and we found a slew of quality fish within sight of the lodge. I mean 5-, 6- and 7-pound walleye. It was crazy! I was fishing a jig and leech combination and fired a cast into the branches of a tree that had fallen into the water along the shore. What the heck, right? Well, think, I set the hook into a behemoth 30-inch, 10-pound walleye. That was our first trip to that lake and it still produces like that today."

Just as you can have a dizzying array of fish species to choose from in Algoma, one of the things that has impressed me to no end, is that you can also catch them so many different ways. It is where I learned, for example, to wedge a long rod holder into the sand and to hold my line up high and out of the water, after I had cast a roe bag into Lake Superior to catch the trout and salmon that were cruising along the shoreline.

TOUGH TO TOP

Gardner, on the other hand, takes pleasure in picking up a fly rod every chance he gets and targeting big toothy critters. "I went to a lake in Northern Algoma," he says. "The lake is managed with a strong conservation ethic that results in outrageous numbers of walleye and pike. The lodge also welcomes all kinds of anglers and is fly-fishing savvy. I love fly fishing for pike, so it was a great fit. But the big moment was a sticky, hot morning, when I landed a 38-inch pike on my fly rod. And then, 20 minutes later, I hooked my biggest walleye of the trip, on the same 7-inch long fly. It happened to be July 1st, Canada Day, so an hour later, all the guests met for a shore brunch with fresh fish, pastries and ice coffee. That was a morning that will be hard to top."

When I mention Gardner's hard-to-top experience to Melnyk, however, I spot a mischievous smile creep across his face that tells me he is up to the task. "I was fishing in Trophy Alley," he says, "and it was perfect for post-spawn smallmouth bass. The weather was co-operating and the big boys were coming off the nests for food out in deeper water. I was fishing with my friend and casting coach, Mikey Metcalfe and expert guide, Adam Vallee. We were throwing heavily weighted Clouser Minnows and Woolly Buggers and let me tell you Trophy Alley lived up to its reputation. Mikey released a 6.5-pound smallmouth on his 10-pound test tippet, while I released a 5.9-pound fish on my 12-pound test. Both of these bass would have qualified at the time as IGFA (International Game Fish Association) world records. Two world records in one day. That's why I love Algoma Country so much."

ALGOMA COUNTRY BUCKET LISTS

So, what could possibly remain for our pro anglers, right? I mean, with so many fish of a lifetime experiences already under their collective belts, what is left on their Algoma bucket lists?

"Brook trout," says Bowman, without hesitation when I pop the question. "If I'm looking for a huge Nipigon-strain brookie and I only want to drive eight hours from home, Algoma is the place to go. The lakes set up perfectly for the world record Nipigon-strain trout in so many lakes. And they are tucked away in gorgeous wilderness settings." Not surprisingly, the same magnificent, hook-jawed, ebony-and-irony trimmed trout sit atop Gardner, Melnyk and my Algoma Country bucket lists as well.

"My dream is to fly in to the northern border of Algoma Country and fish the famous Albany River," confesses Melnyk. "You have a shot there at catching a double-digit brook trout and the wild fish strike the floating mouse patterns voraciously."

Gardner, on the other hand, has his trout sights set squarely on the brook trout rivers in the North. "I visited a lake up north in Algoma, too late in the season to target brook trout," he says. "So I'd chew glass to get back there earlier with my fly rod."

Angelo Viola, however, takes the same sage view as so many other Algoma Country anglers, who make annual pilgrimages, year after year, to their favourite haunts. "Algoma has one of the most prolific walleye fisheries I have ever been on," says Viola, with a sparkle in his eye that tells you better than words, how much he enjoys the place. "What makes the lake stand out is the classic fishing structure. Long tapering points and underwater humps abound and almost every one of them holds schools of fish. What I like so much about it is that they are text book walleye. The fish do exactly what they're supposed to do, when they're supposed to do it. Pete and I have shot two outstanding episodes in Algoma Country and they were from both ends of the fishing spectrum."

We have come through a lot over the past year my friends. We need an Algoma fish fix. I know how I am going to celebrate my golden anniversary. How about you?

A Quest for That Trophy

Many of our Algoma resorts, lodges, and fly-in wilderness camps transform themselves into seasonal hunt camps with experienced guides. These hunting lodges play an important role, because all non-resident moose hunters must be a registered guest with a tourist outfitter to be eligible for a licence.

Algoma offers three types of hunting adventures: small game, wild fowl and big game. The spring black bear hunt in Ontario runs from May 1st to June 15th. The fall bear hunt season begins in mid-August while small game, wild fowl and big game, including moose and deer, begin mid-September through mid-December. Touring

Road trips are all about freedom and the thrill of uncovering new places. Algoma was built for the road trip to travel by car, motorcycle, or RV. Cruise the shores of Lake Superior, Lake Huron or meander alongside an inland waterway. You can choose from four distinctive touring routes or head out exploring with just a road map and the open road as your guide.

Touring Routes

Roads That Thrilling

Did you know that Algoma is over three times the size of the State of Vermont? For those of you looking for a weekend motorcycle ride, it's likely time to ride Highway 129. Nicknamed "Ontario's Tail of the Dragon", this ribbon of road has spectacular scenery and is renowned for curves as it hugs the banks of the Mississagi River. Part of the Grand Algoma Tour, Highway 129 links up to Highway 101 at Chapleau which takes you to Highway 17 at Wawa. This trip is ideal for any mode of travel. Be sure to take a photo with the famous Wawa Goose, then experience one of the Top Ten Drives in Canada: Wawa to Sault Ste. Marie. The ride between Wawa and the Soo takes about 3 hours but we recommend you take a full day.

There are so many opportunities to stop and photograph the scenery along Lake Superior.

LAKE SUPERIOR CIRCLE TOUR

Are you ready for it? Three states, one province and this immense lake make for a wicked road trip. Its humbling scenery, tasty places to eat, and bike-friendly, RV-friendly and family-friendly places to stay make the Lake Superior Circle Tour a must do vacation. You'll experience different cultures, local traditions and meet unforgettable people all around the big lake. Motorcycle riders can learn more about Ride Lake Superior at www.ridelakesuperior.com.

Grand Algoma Tour

DISTANCE: 682 KM / 424 MI DURATION: 2-3 DAYS

This spectacular 2-3 day tour takes you along the Superior coastline then inland through the heart of Algoma. Highlights include the magnificent scenery between Sault Ste. Marie and Wawa, the twisty Highway 129, and travelling along the shore of Lake Huron. You'll find Group of Seven interpretive panels, interesting attractions, restaurants and exceptional places to stay.

Stops Along the Route

Algoma North Tour

DISTANCE: 328 KM / 203 MI DURATION: 1 DAY

The Algoma North Tour begins on the shores of Lake Superior passing ancient Ojibwe villages, graves of fur traders and adventurers, and along historic waterways. Follow Highway 17 from Wawa to White River, detour Highway 519 to Dubreuilville then make your way to Highway 631 to Hornepayne and connect at Highway 11 to Hearst.

The See It All Tour

By Martin Lortz

So much to see in so little time. Not a bad problem to have, and one that is sure to present itself as you plan for your next adventure. Blessed with an array of must-see destinations, from rugged coastlines, hidden beaches, rushing waterfalls, provincial parks and friendly communities, the only way to see it all is to cover some ground. So while a tour of Algoma is the obvious answer, how you choose to execute this tour is the next question. To help with the solution, here are a few ideas.

BY CAR OR RV

Highway 17 between Sault Ste. Marie and Wawa is regarded as one of the best drives anywhere. It is sure to impress with grand views of Lake Superior's rugged coastline. Be sure to stop and explore the many sandy beaches, hiking trails and rushing rivers along the way. The water's edge theme continues along the North Channel of Lake Huron. Here, friendly communities of Echo Bay, Johnson Township, Bruce Mines, Thessalon, Iron Bridge, Blind River, The Township of the North Shore and Spanish will intrigue you with things to do, food to eat, and places to stay.

Make your way inland and experience a stunning view from the fire tower in Elliot Lake, the rushing waters of Aubrey Falls along Highway 129, the historic steam locomotive, Engine 5433 in Chapleau, and the Goose in Wawa. Combine it all, and you're in for one memorable adventure.

BY MOTORCYCLE

With four pre-planned routes to explore, fill the tank and hit the road. Algoma's most popular tour, the 682 km (424 mi) Grand Algoma Route, has been named the top weekend motorcycle tour in Ontario for two years running. Starting in Sault Ste. Marie, you will enjoy the twists and turns of Highway 129, often referred to as Ontario's "Tail of the Dragon" due to its angulating nature. Then on to the open expanse of Algoma's northern reaches and finish off with the Lake Superior coastline. Make your way north to Hearst along the big sweepers and perfect pavement that is Highway 631. Along the way, the communities of White River and Hornepayne offer a chance to refuel both body and bike. Mix it up with paved and gravel roads on the 218 km (117 mi) Island North Tour or day trip the 120 km (72 mi) Deer Trail Tour loop around Elliot Lake, through Blind River and Iron Bridge. Whether you are after pavement or more adventurous road surfaces, Algoma has you covered.

BY ATV

If an adventure is what you're after, perhaps an ATV tour of Algoma's rugged and pristine wilderness is in order. With a network of marked trails suited for a self-guided tour, getting into the backcountry is easy. But for the ultimate adventure, perhaps partake in an expertly guided full-service overnight trip. Discover local secrets like ghost towns, abandoned mines and the kind of wilderness experience deep in the backcountry that only an ATV can offer. Enjoy an overnight in a cozy lodge or a tent under a starlit sky.

BY BIKE

With a prolific amount of paths, trails, low traffic paved and gravel country roads, a cycling tour might be the best Algoma adventure. For a day outing, explore Sault Ste. Marie's Hub Trail or the Hiawatha Highlands mountain bike trails. To discover Algoma by bike, pack your bags and explore. The Northern expansion of the Great Lakes Waterfront Trail follows Lake Huron's North Channel east, connecting 26 communities along a signed route from Sudbury to Prince Township (Gros Cap).

Discover hidden sand beaches at the Boom Trails in Blind River, climb the lookout tower at the Spanish Municipal Marina for a grand view of the North Channel or take in the site that inspired painter Tom Thomson in Bruce Mines.

St. Joseph Island, with its open country roads and beautiful scenic views of Lake Huron, is already a popular cycling destination. With the island as the destination, you start your tour in the city and head out for a perfect weekend adventure.

As the popularity of gravel and all roads cycling rises, Algoma, with its thousands of kilometres of gravel roads and trails, has all the makings of an unforgettable experience for the adventurous cyclist. Pick up a map and go it alone or let local guides show you the way.

BY SNOWMOBILE

When the seasons turn to snow, it doesn't mean Algoma's touring opportunities are any less promising. Thanks to the efforts of many, the rugged landscape is groomed into a 3,200 km (2,000 mi) ribbon of snowmobiling good times. If you are after the winter version of the see it all Algoma tour, then the All The Way There Tour is for you. It showcases the best of the area's snowmobile trails and communities that will welcome you with open arms; from the famous backcountry oasis that is Halfway Haven to places like Wawa, Sault Ste. Marie, Dubreuilville, and Chapleau that live and breathe snowmobiling. Of course, you can't claim getting All The Way There until you push your adventure deep into the Algoma trail system and the far reach communities of White River, Hornepayne and Hearst, where sleds often out number cars during the winter.

For the weekend adventurer, the North Shore Loop, offers views of the Lake Huron North Channel, provides a chance to explore St. Joseph Island and accessibility to the International Ice Bridge to Drummond, USA, allow for a perfect mix of easy access and thrilling experience.

It doesn't matter how you choose to tour Algoma, but make sure you do. Even if your best touring efforts leave you looking for more, no need to worry; there is always next time.

Sled More, Shoot Less

By Virgil Knapp

I was presented a great opportunity to experience incredible snowmobiling first hand when tagging along with the SnowTrax TV crew as they were filming an episode of their popular show in the expansive winter terrain of Algoma Country. SnowTrax TV was featuring snowmobile touring in the the Algoma region. I had the designation of behind the scenes photographer, documenting it all. It was no surprise SnowTrax wanted to film there after all, this region is known for some of the most pristine trails in Ontario.

This trip was unique in the sense that we'd be covering a ton of miles over a relatively short time span, all the while stopping to shoot segments for the TV show. Our schedule had over 600 km on tap, spread out over various loops and this would be the most time I'd ever spent riding during a photoshoot.

Typically on media rides my mantra is 'ride less, shoot more'. I was nervous at the prospect of completing our schedule on time but considering the prospect of spending a week outside in the fresh air with perfectly groomed trails seemed quite appealing.

We staged out of Sault Ste. Marie in a nice modern hotel with all the amenities located right in the city centre. One thing I particularly liked was the ample parking for trucks and trailers. Thanks to direct trail access we unloaded and started our ride right from hotel, headed for Searchmont. Trail conditions were excellent after a heavy snowfall days before. We threw up the drone and got some epic scenery shots; with blazing sun and mild temps it was as perfect a scenario as one could ask for. Our crew stopped in Searchmont for lunch on what would turn out to be one of our last dine-in meals inside a packed restaurant.

The next day produced drastically different conditions, a big change in just 24 hrs time. With a thick layer of grey clouds the dominating the horizon and a light mist of freezing drizzle, we set off on D trail for the winter oasis known as Halfway Haven (a fitting name for the only sign of civilization between Searchmont and Wawa). The section of the D trail that led out to Halfway from Wawa is 110 km of snowmobile heaven. Big elevation changes, wide sweeping corners, rock cuts, rolling mountains and enough straightaways to cramp your throttle thumb the 3-hour ride there went by surprisingly quick. With accommodations for up to 38, hot meals, Wi-Fi and plenty of fuel, 'Halfway' is a much-needed staple to the District 13 trail system.

On our final day we headed to Dubreuville, home of "The Groomer Guy" (aka Luc Levesque). While the SnowTrax crew did some interviews and filming, I stopped by Luc's place. I'd heard a rumor he parks his trusty groomer in the driveway of his home and sure enough, his place was easy to find, it was the only place in town with a bright red groomer sitting out-front.

In uncertain times we've all been gravitating towards things that offer familiarity, comfort and most importantly, safety. If you're looking to try something new this winter that offers, all of these things in abundance, book a snowmobile trip to Algoma Country!

That scenic.

Nature & Outdoors

Beautiful sand beaches, crystal-clear waters and miles of unspoiled hiking trails can be found across Algoma's landscape. Explore our scenic country roads by bicycle, or the rugged trails by mountain bike. For the kayak or canoe enthusiast, our lakes and rivers are world-class.

Paddling

Lakes & Rivers That Calm

Our paddling outfitters combine learning with top of the line equipment, professional staff and great food. From beginner to expert, family trips, a group of friends wanting to get away, or a musical voyageur canoe trip, our outfitters will deliver the trip of a lifetime.

CANOEING

Looking for lakes of glass? Or foamy white water? Whichever it is, Algoma's got it. Lake Superior is where you can get up close and personal with many of the landscapes the Group of Seven painted or paddle the Missinaibi River all the way to the James Bay coast. Now that's a paddle trip!

KAYAKING

Kayaking on Lake Superior truly is a world-class experience comparable to that found only on the world's oceans. Home to the best sea kayaking in the interior of North America is a claim we take seriously. Kayakers from across the globe converge on Algoma and the Lake Superior shorelines.

STAND UP PADDLING

Stand Up Paddle boarding started in Hawaii as a spin-off to surfing; it combines surfing and canoeing. If you want to learn how to SUP, there are lessons available. The SUP opportunities are endless on our inland lakes, rivers and on Lake Superior.

Why Paddle Algoma?

By James Smedley

Sliding a sleek craft like a canoe or kayak into the water is always a pleasure, but when it occurs within the confines of Algoma Country, the chances for an exhilarating voyage through an unforgettable landscape are heightened. It's a land of transformation, where the rounded old mountains of the Canadian Shield meld into the rolling expanse of the boreal forest. Jostling within the undulations of this unique landscape is the foundation for paddling in Algoma: waters that range from the depths of the world's largest lake to the fine mist rising off hundred foot waterfalls. The fluid resources of Algoma hold prospect and promise for paddlers.

MOVING WATER

The movement of water is nature's conveyor, carrying us through the wilderness. Class IV rapids erupting within the spring freshet of wild rivers provide challenge and excitement for expert paddlers. We can also ride a slow and steady current, where our craft is guided by occasional strokes of the paddle, carrying us effortlessly for kilometres at a time over a gently sloping landscape.

PORTAGING

When we hoist our canoe onto our shoulders and make our way down a path through the woods, we are crossing a threshold that weeds out those who have no interest in trudging over rugged terrain with all they need for a day, a week, or more, on their backs. Navigating the portage trail can be grueling but it is great exercise and often the only way to access specific areas of back country. And when we arrive, our efforts are justly rewarded with solitude and beauty.

WILDERNESS ACCOMMODATIONS

Tripping along the diverse forested waterways of the region leads to peaceful nights within a range of campsite possibilities. We might sink into the fine brown sand of a secluded beach or the thick moss of the boreal forest, with a ceiling of spruce tops tipped with stars. Our sleep may be joined by the fresh scent wafting from a bed of pine needles or the roar of a distant falls. What could be construed as distractions emerge as soothing and, given the vigorous activity associated with kayak and canoe tripping, our rest is long and deep. Wilderness accommodations are as varied as the landscape and if variety is the spice of life, traveling by path and paddle in Algoma Country is a well seasoned adventure.

EATING OFF THE LAND

We should always pack enough food to meet our needs when tripping, but if that envelope of powdered soup stays in the bottom of the barrel because we were able to augment our meals with fresh fish, so be it. The possibility of catching fish is usually a prerequisite when choosing a canoe route, and in Algoma the options are staggering. Whether it is smallmouth, walleye, pike or trout, there's always a chance to harvest a side dish of fiddleheads in the spring or berries in the summer for a wilderness dish that is simple and satisfying.

A BOUNTY OF WATERS

Wetlands, rivers and inland lakes form a tapestry of interconnected waterways that provide passage over vast stretches of wilderness. Established paddling routes extend like tentacles throughout Algoma Country offering everything from scenic day paddles to full on expeditions. Joining inland waters is the expanse of Lake Superior, with her magical coastline that we can only travel when the conditions are right. Moments of calm allow us to explore the long sand beaches, rocky points and exotic rock formations, sculpted by the perpetual pounding of Superior's mighty waves. Whether paddling a canoe or a sea kayak, we cannot help but feel the power as we pass a surf-pounded shoreline under the arc of giant white pine bent against the prevailing winds. We are allowed in calm weather but we challenge her moods at our peril.

Hike & Camp

Views That Breathtaking

This region offers a challenge for beginner, novice and experienced backpackers. Hikers can enjoy a leisurely meander along well marked nature trails or rough it alone in some of the most rugged wilderness in Ontario. There are a variety of campsite options: private, municipal, provincial and national. Algoma Country offers a range of experiences from backcountry hiking and camping to full day and overnight trips in comfortable cabins. To learn more about hiking and camping in Algoma visit www.algomacountry.com/nature-outdoors/

THE COASTAL TRAIL

A strenuous hiking adventure, the Coastal Trail (63 km, or 5 to 7 days) traces Lake Superior along scenic cliffs, across cobblestone beaches and vast forests. Look up for bald eagles, especially along the Sand and Agawa rivers. Several access points give you a choice of spending one or several days on the trail.

CHAPLEAU GAME PRESERVE

This 2 million-acre preserve, the largest of its kind in the world, offers endless backpacking opportunities, scenery and opportunities to view wildlife in their natural surroundings. For your free map and self-guided tour of the Chapleau Game Preserve visit www.chapleau.ca

The park's rustic campground, just north of the City of Elliot Lake, is a great base to explore Mississagi's waterways and trails. More than 40 km of outstanding hiking trails pass through a variety of landscapes and forests, with expansive views of the Penokean Hills. Several lakes provide canoeing, boating and trout fishing opportunities. Rentals available: canoes.

IVANHOE LAKE PROVINCIAL PARK

Ivanhoe Lake is a great family camping park and a premier boating and fishing spot. The park includes the east half of Ivanhoe Lake and 20 km of the Ivanhoe River, with a great shallow sandy beach, great birding, excellent boating, canoe, kayak, Stand Up Paddleboard rentals and great fishing for Walleye and Pike. Full-service campground with 108 sites.

FUSHIMI LAKE PROVINCIAL PARK

This quiet park is known locally for its excellent Pike and Walleye fishing and surrounds the clear waters of Fushimi Lake. It also has great swimming at one of the half dozen sandy beaches scattered around its shores, many shorelunch spots for fish fries, and even some backcountry campsites. The campground has just 46 sites (almost all with electrical service) one waterfront cabin, showers and flush toilets, and laundromat. Rentals available: motorboats, canoes, kayaks, pedal boats, bicycles.

MISSINAIBI PROVINCIAL PARK

Missinaibi was designated a Canadian Heritage River in 2006 for its outstanding recreation, natural and cultural heritage. Prince Township

When Septimus Prince arrived here in 1860 he saw a place rich in natural beauty. Today, the splendour remains. We plan to keep Prince Township 'simply beautiful' for years to come. Gros Cap Marina Park offers a universally accessible, safe and easy way to launch and dock kayaks and canoes. The park offers a small tenting area for cycling and/or water travellers and washroom facility. The Fisheries and Oceans Marina offers a boat launch and docking facilities.

Experience our section of the Voyageur Trail System. The Saulteaux Voyageur Trail Club schedules over 30 outings a year including hikes, trail maintenance, snowshoes, bushwhack skis and backpacking.

Prince Township provides a new Festival and Events Pavilion which houses our free, covered outdoor rink during the winter months. As well, a snowmobile trail meanders through the township. Visit our library and EarlyON Child & Family Centre. Take in the annual Tractor Parade, Vendors' Market and museum in the summer. You'll find delicious food at Boots and Saddles and all the amenities you'll need at the Airways General Store, including fuel and propane.

Don't miss the stunning views and breathtaking sunsets where the St. Marys River ends and Lake Superior begins. The fall colours adorning the Precambrian shield are a must see!

Echo Bay

The Township of Macdonald, Meredith & Aberdeen Additional is located along the shores of Lake George, 30 km (18 mi) east of Sault Ste. Marie, Ontario and is characterized by a vast vista of rural countryside. As one of Central Algoma's largest municipalities, this area offers its citizens and tourists access to all conveniences found within the larger communities.

Accessibility to several freshwater inland lakes, together with the region's wooded areas, create the opportunity for endless winter and summer activities. The beauty of this area is further enhanced by the existence of several species of wildlife, the Loon Dollar Monument and a boardwalk viewing the picturesque shores of Lake George.

Visitors can reach us by phone at (705) 248-2441, or by emailing twpmacd@onlink.net. Our mailing address is 208 Church Street, PO Box 10, Echo Bay ON P0S 1C0, or visit our website at www.echobay.ca

St. Joseph Island

Many colourful stories – some legend, some historical fact — are told about St. Joseph Island, the 2nd largest freshwater island in the world, situated in the channel between Lakes Huron and Superior. About 45 km (28 mi) long and 24 km (15 mi) wide, the 140,000-acre island is 56 km (28 mi) east of Sault Ste. Marie via Highways 17 and 548. Originally named Anipich, the Ojibwe word for “place of the hardwood trees”, the Island was given its present name by Jesuit missionaries to honour the patron saint of a new Indian church they were building.

St. Joseph Island has been listed as the ideal destination for “ride and bike” cyclists. Whether you’re an avid cyclist, a weekend enthusiast, or just cycle for fun and fresh air, St. Joseph Island offers the perfect mix of rolling hills, canopied side roads, picturesque vistas, low traffic rates and friendly services for distance riding or circular routes.

Fort St. Joseph National Historic Site of Canada is a must-see stop. The British chose St. Joseph Island as the ideal location for a fort because of its proximity to Fort Mackinac, to the navigation routes controlling the fur trade and access to the Great Lakes. It was from Fort St. Joseph that a surprise invasion took place in 1812, leading to the capture of the American Fort on Mackinac Island.

The Island is linked to the mainland by a toll free bridge, opened in 1972. With full-service marinas, libraries, public beaches and trails within easy walking distance of the business centre, St. Joseph Island has something for everyone.

The two villages, Hilton Beach and Richards Landing, have a variety of businesses to serve the traveler, as well as hosting many community events.

Hilton Beach

Hilton Beach offers many services such as restaurants (two licenced under the LLBO), a general store, post office, motel, tourist park with cabins and hookups for trailers, public library, automotive garage, and a full service marina known as one of the largest in the North Channel and one of the most scenic on the Great Lakes.

Many events take place through the summer months. Arts at the Dock is one of the largest shows in Algoma. The Hilton Beach Car Show features about 100 original, restored cars. Old Town Hall concerts brings some of the best Canadian musicians.

For more information write Village of Hilton Beach, Box 25, Hilton Beach ON P0R 1G0, email info@hiltonbeach.com or visit us online at www.hiltonbeach.com

Bruce Mines & Area

Welcome to the beautiful, historic town of Bruce Mines & area. Nestled on the North Shore of Lake Huron, straddling the Trans-Canada Highway, Bruce Mines & area is a true four-season destination. Founded in 1846, our scenic town is rich in history, the arts, nature and waterways! Our roots reach back to the earliest settlements in Canada, the discovery of copper and the first copper mine in North America. Visit a 100+ year old dollhouse at the Museum, travel underground at the Simpson Mine Shaft, or take a self-guided historical walking tour. A waterway paradise awaits as you canoe, kayak and enjoy the in-land lakes; rivers and streams and one of the top 5 beaches in Ontario is located within 20 km. Experience perfect sunsets and picturesque vistas! Our full service marina is close to all amenities and is located along the waterway that stretches into the North Channel of Lake Huron; a favourite of boaters.

It's called a sportsman's paradise: fishing, hunting, resorts with amenities, snowmobile trails, snowshoeing, skiing and ice fishing. Nature is at its finest here with waterways and geologically unique formations including puddingstone, ripple rock and Gordon Lake deposit.

Hike the Kensington Conservancy's nature trails or cycle the Great Lakes Waterfront Trail. Artisans of all mediums and craftsmanship abound. Explore the recently discovered painting location of Tom Thomson's *View Over a Lake: Shore With Houses* (1912). Rolling acres of farmland supply the Farmers' Market and kiosks with local produce, maple syrup,

honey, alpaca products and agri-tours. Bruce Mines & area - A place to pause! Come as a visitor, leave as a friend! For more information contact us at (705) 785-3493, or visit our website at www.brucemines.ca

HOSPITALS & HEALTH INSURANCE

Most communities have hospitals and/or resident doctors. Wise travelers will check with their medical service plans to ensure they will be covered while in Canada, as health insurance plans may not extend coverage outside your country of residence. If you are taking prescription drugs, make sure that they are in the original packaging, bring an adequate supply, and bring a copy of the prescription in case you need a refill during your stay in Ontario.

If this is not possible, carry a copy of the prescription or a letter from your doctor. For more information and insurance details, contact your travel agent, insurance broker, or your employer's insurance provider.

SEAT BELTS

Ontario Law requires that adults and children over 40lbs / 18kg in weight wear seat belts. Infants from birth to 20lbs / 9kg in weight must travel in a rear-facing child restraint system. Toddlers weighing 20-40 lbs / 9-18 kg must travel in a forward or rear facing child restraint seat.

CREDIT CARDS, FINANCIAL SERVICES AND U.S. FUNDS

Chartered banks are located in virtually all cities and towns. These full-service institutions are the best locations for exchanging currency. There is also a government sanctioned Canada / U.S. currency exchange service at the International Bridge Plaza in Sault Ste. Marie and at the Duty Free Store & Kiosk. Credit cards such as Visa, MasterCard and AMEX, are generally honoured in all communities. Be sure to check with individual businesses before or when booking accommodations to ensure they accept your card.
