BLIND RIVER

ON THE NORTH SHORE OF LAKE HURON

Culture • History • Events • Outdoor Recreation

Blind River is a stunning community located on the world-renowned North Channel. It is a unique community with the benefit of highway as well as waterway gateways that lead you to art, history, recreation, and a year-round welcoming attitude! We love to share information that will connect you to the environment. Unplug and enjoy it!

Our community is filled with year-round opportunities that will keep every age active. You'll dodge battling hummingbirds all summer, singing frogs at sundown, and acorns during fall hikes. Our world-renowned cross-country ski pathways are lined with chickadees singing in the sunshine; we challenge you not to smile. Our wetlands are filled with history, wildlife, and education. We are also filled with year-round fishing, hiking, skiing, cycling (bring your snow tires to train off season), ATV areas, and snowmobile trails for endless stretches. Our Downtown is filled with resilient businesses supported by their community. Come and work, live, and play in a community eager to see new, friendly faces.

Drive-in Fishing

A Getaway That Accessible

Drive-in fishing isn't what it sounds like. There is no bad popcorn, or crackling sound while you stare at a screen through your windshield. This is about parking your car at a lodge, being catered to, and casting for pure Algoma fishing gold. Algoma Country is home to some of the best drive-in fishing in Ontario. These lodges are perfect for families, weekends with friends, large groups or your significant other. Once you catch your daily limit, there is still plenty to do. Many of the drive-in lodges and resorts offer outdoor activities such as ice fishing, canoeing, kayaking, and wildlife viewing opportunities. The perfect getaway from the sights and sounds of the urban buzz.

Angling Algoma offers both summer fishing and ice fishing experiences in the Algoma region. Half or full day on the water for multi-species fishing.

Fly-in Fishing

An Adventure That Remote

For decades, the bushplane has been transporting anglers, explorers, prospectors and adventurers into Northern Ontario's remote lakes. Today, the bushplane is still the only way to access many of Algoma's finest fishing lakes. A remote fly-in fishing trip is the quintessential Canadian adventure that should be on every angler's bucket list. Flying into a remote lake means going to a place that many people have not been to. Choose remote outpost cabins or a full-service luxury lodge. A smooth take off from the water, then it's an incredible climb into the clouds overlooking a breathtaking view of the landscape that can only be seen from the air.

The number one reason to choose this type of trip is to experience spectacular fishing in solitude and the peacefulness of the wild.

Regional air services are piloted by the best bush pilots that fly out of Wawa, White River, Hornepayne, Hawk Junction, Chapleau, Foleyet, Nakina, Armstrong, Hearst, Algoma Mills, Elliot Lake, and Blind River.

Easy Fishing

It's Here If We Look for It

Story and Photos By James Smedley

Fishing is rarely easy. Casting some type of lure into a lake or river and expecting it to fall in front of a fish, and then expecting the fish to eat it, is a bit of a stretch. Encountering easy fishing can simply be a matter of luck but those of us who are not as lucky as we wish we were must depend on honing our skills and studying the wily ways of our finned quarry. Like any complex pursuit there are many aspects to consider. Fishing is rarely easy but when the stars align and the waters are generous, it's an angling experience we won't soon forget.

Fortunately if we plan our fishing adventure carefully, the chance of experiencing easy fishing grows exponentially. We shouldn't expect it where there are few fish so planning a trip to the woods and waters of Algoma Country is a solid first step. Here are some tips on how to put ourselves on the busy end of a fishing rod for some of the region's most popular species:

WALLEYE

As Ontario's most popular game fish it's not always easy to find the unpressured schools of walleye that can offer easy fishing, but in Algoma Country there are options.

WHEN AND WHERE: It's possible to find awesome walleye fishing at many drive-to destinations but a fly-in lodge or outpost camp offers more of a guarantee.

Wait until mid-July for the walleye to move out to their summer haunts where they will stay well into September. Mid-lake humps – where the bottom erupts from deep to shallow – are reliable walleye hangouts throughout summer. The best offshore humps will include fish holding structure like rock piles and weeds and rise from depths of 30 feet or more to top out just below surface.

HOW: While some offshore humps are popular hotspots, the best ones are unknown. Find these rarely visited pieces of structure by cruising across the main basin of a lake and watching for bottom fluctuations.

The simplest approach after finding a promising hump is to situate ourselves upwind and slowly drift over it, bouncing quarter ounce lead head jigs, tipped with live bait or soft plastic grub bodies, off bottom. Chances are walleye will make their presence known and locating humps with similar structure can ensure easy fishing our entire trip.

NORTHERN PIKE

Nothing puts a sustained bend in our rods like the power of a big fish and few compare in size and strength to the northern pike. These voracious predators are widespread in Algoma Country waters but finding numbers of big pike can be challenging.

WHEN AND WHERE: The limited pressure of fly-in destinations can improve our chances but big pike can be pin-pointed in road accessible lakes throughout the region. Start looking for pike in spring, after ice-out, when they seek the warming shallow waters of weedy bays where they spawn. Often these back bays are fed by a creek or river and the water may only be 3 or 4 feet deep but big pike gravitate to the sun-warmed shallows early spring.

HOW: Look for clusters of old weeds or emerging vegetation pike will use for cover and cast shallow diving jerk baits like a Rapala Husky Jerk. These hard plastic lures worked with a pull-and-pause retrieve are irresistible to feeding pike. However, unhooking the dual or triple treble hooks from the toothy maw of strong fish that grow to 40 inches or more can be a little spooky. Another great lure is a simple 3/8-ounce jig head rigged with three to five-inch soft plastic swim bait. Cast and reel just fast enough to keep it up off bottom. If there is no action tight to shore, move out to the first drop off in the main bay as pike will slide into deeper water as the shallows warm.

SMALLMOUTH BASS

Smallmouth are one of the most accommodating species and narrowing our focus on these aggressive fish is a wise choice for anglers looking for action.

WHEN AND WHERE: Smallmouth bass are abundant in many of the large, clear and rocky Canadian Shield lakes found in Algoma Country. Excellent bass water is found at the doorstep of a wide variety of drive-to lodges in the region. Many fly-in destinations also feature strong bass populations but some of the best waters are accessible from the TransCanada Highway. Bass can be extremely active on hot summer afternoons making July and August the best times to look for active fish. Bass will lurk shallow areas of rock or weeds close to deep water where they munch on crayfish or wait in ambush for baitfish.

HOW: In the clear or slightly stained waters that bass call home, it's quite easy to find rock shoals and shallow rock piles looming just below surface simply by looking with the naked eye. Wearing a pair of polarized sunglasses helps to cut off the glare and find potential hotspots. One of the most exciting and effective ways to catch summer bass is to cast a top water popper over a rock shoal. These buoyant hard plastic lures float on surface and imitate a wounded minnow or some such vulnerable creature that bass will not hesitate to eat. Instill action by giving the lure a few sharp pulls then let it rest for 10 seconds before repeating. If there's a bass nearby it will explode on surface providing one of the most exciting and easy hookups we will ever experience.

Fly Fishing

Waters That Pristine

The Algoma region is the new hot spot for wilderness fly fishing. You can fly into remote lodges or take the train. If you want pure solitude, many operators offer outposts with cabins on remote lakes. There are also drive-in lodges with cottages and cabins offering the convenience of parking right outside your door. You can even fly fish for salmon and steelhead right in the heart of Sault Ste. Marie.

For fly fishers, Algoma is a true wonderland with so many species and opportunities. To learn more about incredible fly fishing opportunities that are easy to access and affordable, please visit www.algomacountry.com/fly-fishing

Train-in Fishing

An Experience That Unique

Looking for a remote experience without having to fly? There are multiple lodges located along the VIA Rail line in Algoma Country, each providing an experience as unique as its location. Departure can be from several locations; this experience is closer than you may think!

You can choose to prepare your own meals in a housekeeping cabin or enjoy the luxury of a full American Plan that includes meals prepared in the main lodge, in addition to daily cabin cleaning services.

The lodges along the rail line can brag about huge northern pike, walleye, whitefish, perch, lake trout and brookies! Imagine a shore lunch after a morning of fishing with these offerings. Once your arm is tired from hauling in your catch, many of these lodges offer ways to explore nature such as kayaking or canoeing the calm waters of their remote lakes.

Start planning your train-in wilderness adventure along the rail line by visiting www.algomacountry.com/train-in-fishing

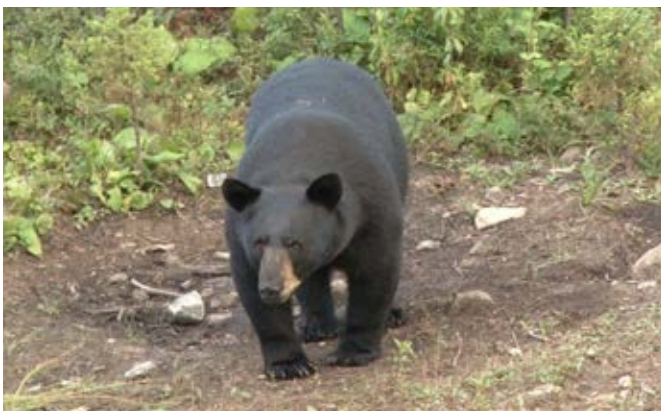

Hunting

Journey for That Trophy

Many Algoma resorts, lodges, and fly-in wilderness camps transform themselves into seasonal hunt camps with experienced guides. These hunting lodges play an important role because all non-resident moose and bear hunters must be registered guests with a tourist outfitter to be eligible for a licence.

Algoma offers three types of hunting adventures: small game, wildfowl and big game. The spring black bear hunt in Ontario runs from May 1st to June 15th. The fall bear hunt season begins in mid-August while small game, wildfowl and big game, including moose and deer, begin mid-September through mid-December. For full rules, regulations and hunting seasons visit online www.ontario.ca/hunting

GONE FISHING?

If you have a shore lunch fire, remember the rules

- Build the fire on bare soil or rock in a location sheltered from the wind.
- Make sure the fire is a safe distance from all flammable material, including overhanging branches.
- Keep the fire small and tend it all the time.
- Put the fire out. Soak it with water, stir the ashes and soak again until the ashes are cold to the touch.

Paddling outfitters combine learning, with top-of-the-line equipment, professional staff, and great food. From beginner to avid, family trips, a getaway with a group of friends, or a musical voyageur canoe trip, the region's outfitters will deliver the trip of a lifetime.

CANOEING

Looking for lakes of glass? Or foamy white water? Whichever it is, Algoma's got it. Lake Superior is where you can get up close and personal with many of the landscapes the Group of Seven painted or paddle the Missinaibi River all the way to the James Bay coast. Now that's a paddle trip!

KAYAKING

Kayaking on Lake Superior truly is a world-class experience comparable to that found only on the world's oceans. Home to the best sea kayaking in the interior of North America is a claim we take seriously. Kayakers from across the globe converge on Algoma and the Lake Superior shorelines.

STAND UP PADDLING

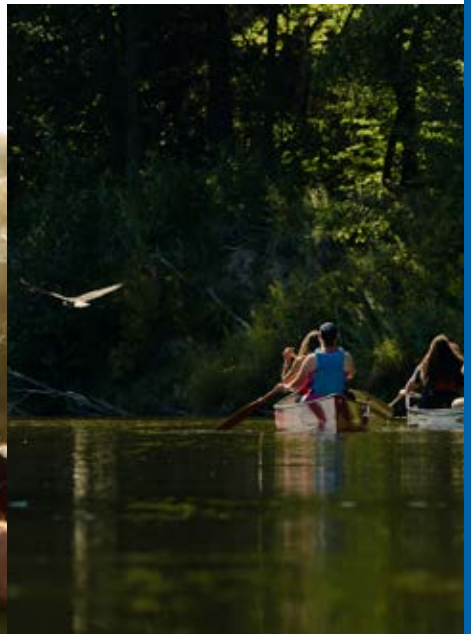

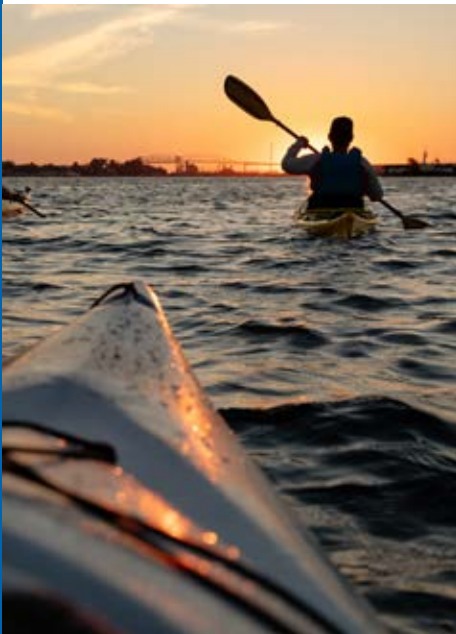

Stand Up Paddleboarding started in Hawaii as a spin-off to surfing; it combines surfing and canoeing. If you want to learn how to SUP, there are lessons available. The SUP opportunities are endless on inland lakes, rivers and Lakes Superior & Huron.

5 Paddling Experiences

Unique Ways to Paddle in Algoma

Story and Photos By Diana Lee

Located between two Great Lakes, countless inland lakes and meandering rivers, Algoma Country, home of the Anishinaabe since time immemorial, is a dream paddling paradise. From rocky shorelines to accessible docks, there are countless spots to launch your canoe, kayak, or stand-up paddleboard (SUP, my preferred way to explore the water) in spring, summer, and fall. Your next paddling adventure awaits in Algoma Country!

Here are some recommended (and special) ways and places to experience Algoma Country's waters.

Before heading out on your adventure:

- Check the weather, water levels and conditions.
- Go with a friend or partner when paddling.
- Wear the right gear according to the weather and the water.
- Always wear a lifejacket and a SUP leash if you're on a paddleboard.
- Review Transport Canada's Safe Boating Guide (which includes info for human-powered watercraft).

FLY-IN/TRAIN-IN SUP

Hop on a float plane with White River Air or take the VIA Rail to Mar Mac Lodge, an all-inclusive wilderness resort located on Esnagi Lake. You've probably seen all the ads about Algoma being an angler's paradise. Well, it is, but you don't have to be a fishing pro or actually into fishing to experience a fly-in (or train-in) northern Ontario adventure! While I brought my inflatable SUP, and it is possible to bring your own canoe or kayak, Mar Mac Lodge has watercrafts available for guests.

FROM THE BOTTOM TO THE TOP OF ROBERTSON LAKE AND CLIFF

Paddle an inland lake, fuel up at local food stops, and hike to a breathtaking lookout – all in one day on the Friends of Fall Colours Tour with Forest The Canoe. Trained interpretive guides of Forest the Canoe offer various ways to sample the “True North” on their adventure bus. Bring your own board or book a guided tour with Forest The Canoe (they’ll take care of transportation with pick-up and drop-off right from your hotel!)

PADDLING ABILITY: All levels, no experience required.

PADDLE TO THE PICTOGRAPHS

Get the best view of Agawa Rock, one of Canada’s most famous pictograph sites, from the water! Visit this sacred Indigenous site within Lake Superior Provincial Park when the weather and water conditions are calm. Bring your own board and book a guided tour to explore Lake Superior with Thrive Tours or Forest The Canoe (location depends on weather conditions).

PADDLING ABILITY: Intermediate to experienced due to remote and inaccessible paddling route. Must be prepared for cold water immersion and conditions that can change unexpectedly.

TRAVEL NOTES: Book a Daily Vehicle Permit (DVP) through Ontario Parks. Limited parking.

INDIGENOUS-LED PADDLING

Watch eagles soar above you while you paddle through special waterways with Indigenous-owned and operated eco-tour guides, Thrive Tours. Based out of Sault Ste. Marie (traditionally known as Baawaating), Thrive Tours offer customizable water-based (and land-based) outdoor adventure combined with cultural education. Learn Indigenous traditions, teachings, and stories while watching salmon jump up next to your SUP and sipping Cedar Tea next to a campfire. This experience will deepen your connection to nature and understanding of Indigenous perspectives. Paint & Paddle with local Indigenous artist Lucia Laford (Waawaaskone Qwe) and learn about traditional Woodland Art. **PADDLING ABILITY:** All levels.

PADDLE, CAMP/CABIN, REPEAT

Launch your boat right from the front porch of cute waterfront cabins at Ojibway Park in Garden River First Nation (GRFN). Located just 25 minutes from Sault Ste. Marie, this family-friendly campground was originally for the women and children of GRFN to gather traditional medicines during the early 1950s. Today, it is open for everyone to enjoy Laughing Water Beach and the views of Lake Huron/Lake George. Bring your own boat (BYOB) and enjoy a day paddle (day passes available) or stay the night and paddle at sunrise and sunset (the sunsets here!).

PADDLING ABILITY: All levels can enjoy a shallow and sandy shoreline. Looking for a more remote paddle and cabin location? Check out Northern Skies Resort, located in Thessalon.

Provincial Parks

Explore Parks That Vast

Experience the stunning scenery and range of adventures in Algoma's provincial parks: Lake Superior's rugged coastline, stories of shipwrecks, Agawa Rock Pictographs, the forests of the ancient Penokean Mountains, centuries-old canoe routes and hiking trails leading to magnificent panoramic views. The parks protect the natural and cultural heritage of Ontario.

PANCAKE BAY PROVINCIAL PARK

Located on the shores of Lake Superior, this park boasts 3 km (1.8 mi) of superb sand beach, kayaking, interpretive trails including the Edmund Fitzgerald lookout with views of Lake Superior, fantastic fall colours, all-terrain wheelchairs (2), a playground and 328 campsites (70 with electricity, 1 camp cabin, 5 yurts, hot showers and laundromat).

LAKE SUPERIOR PROVINCIAL PARK

Experience the exciting Algoma landscape painted by the Group of Seven, by hiking any of the park's 11 trails. Trails vary from scenic vistas with steep climbs to more gentle terrain along riverbeds or lakeshores. The challenging Coastal Trail traverses the rugged headlands and rocky beaches of Lake Superior. Canoeists can choose from 7 canoe routes.

WHITE LAKE PROVINCIAL PARK

White Lake is a premier fishing spot for Walleye and Pike, and the park is the ideal base for exploration. Facilities: 187 campsites, 60 with electricity, hot showers, flush toilets, a laundromat, boat launch, playground, hiking trails, rentals available: canoe, mountain bike, tents, fishing equipment.

BATCHAWANA BAY PROVINCIAL PARK

Great swimming and picnicking are found at this sheltered sandy beach on Lake Superior's Batchawana Bay. Day use only.

POTHOLES PROVINCIAL NATURE RESERVE

This is a remarkable geological site on the Kinniwabi River east of Wawa on Hwy 101. A short interpretive trail takes you through a garden-like setting in the forest. Distinctive "potholes" in the bedrock were formed by glacial meltwaters 10,000 years ago. Parking and privies are located at the trailhead.

NAGAGAMISIS PROVINCIAL PARK

Cree for "lake with fine sandy shores", this secluded lake is a favourite fishing spot for Walleye and Pike. The park is at the heart of an ancient glacial landscape of clear blue lakes, many with excellent fishing. The Boreal Forest here is home to the elusive Woodland Caribou. The park has 107 campsites, showers, flush toilets, a laundromat, and a fish-cleaning hut. Rentals are available: motorboats, canoes, kayaks, paddleboats, bicycles.

MISSISSAGI PROVINCIAL PARK

The park's rustic campground, just north of the City of Elliot Lake, is a great base to explore Mississagi's waterways and trails. More than 40 km of outstanding hiking trails pass through a variety of landscapes and forests, with expansive views of the Penokean Hills. Several lakes provide canoeing, boating and trout fishing opportunities. Rentals are available: canoes.

IVANHOE LAKE PROVINCIAL PARK

Ivanhoe Lake is a great family camping park and a premier boating and fishing spot. The park includes the east half of Ivanhoe Lake and 20 km of the Ivanhoe River, with a great shallow sandy beach, great birding, excellent boating, canoe, kayak, Stand Up Paddleboard rentals and great fishing for Walleye and Pike. Full-service campground with 108 sites.

FUSHIMI LAKE PROVINCIAL PARK

This quiet park is known locally for its excellent Pike and Walleye fishing and surrounds the clear waters of Fushimi Lake. It also has great swimming at one of the half dozen sandy beaches scattered around its shores, many shore lunch spots for fish fries, and even some backcountry campsites. The campground has just 46 sites (almost all with electrical service) one waterfront cabin, showers and flush toilets, and a laundromat. Rentals are available: motorboats, canoes, kayaks, pedal boats, bicycles.

MISSINAIBI PROVINCIAL PARK

Missinaibi was designated a Canadian Heritage River in 2006 for its outstanding recreation, natural and cultural heritage. Both a huge lake surrounded by the largest game preserve in the world, and a 450 km-long heritage river, Missinaibi provides outstanding fishing, boating, canoeing, and both car and backcountry camping. Rentals are available: boat, motors, kayaks & canoes.

Ski & Snowshoe

Trails & Slopes That Snowy

Ten feet of annual snowfall is the reality here in Algoma Country. Meticulously groomed ski hills, Nordic trails as well as backcountry skiing adventures make winters in this region famous.

DOWNHILL SKIING

Algoma's rugged terrain has carved out perfect conditions for one of Canada's favourite pastimes. The 700 ft vertical drop at Searchmont Resort makes it one of Ontario's premier spots to ski and snowboard. Mount Dufour in Elliot Lake is located within walking distance of downtown. The skiing opportunities range from beginner to expert.

SNOWSHOEING

For the explorer, Algoma provides the most captivating backdrops for trekking on snowshoes. From picturesque panoramas to unmapped rock faces and quiet frozen lakes to old-growth forests and winter wildlife sightings, the silence of snowshoeing is remarkable.

CROSS COUNTRY SKIING

The region boasts some of the finest Nordic skiing terrain, track and facilities in the world. Well-marked, exceptionally groomed trails lead to panoramic views in the Algoma Highlands at Stokely Creek, while frozen waterfalls and lakes abound in Hiawatha Highlands.

Touring

Road trips are all about freedom and the thrill of uncovering new places. Algoma was built for the road trip to travel by car, motorcycle, or RV. Cruise the shores of Lake Superior, Lake Huron or meander alongside an inland waterway. You can choose from four distinctive touring routes or head out exploring with just a road map and the open road as your guide.

Touring Routes

Travel Roads That Twisty

Did you know that Algoma Country is over three times the size of the State of Vermont? For those of you looking for a weekend motorcycle ride, it's likely time to ride Highway 129. Nicknamed "Ontario's Tail of the Dragon", this ribbon of road has spectacular scenery and is renowned for curves as it hugs the banks of the Mississagi River. Part of the Grand Algoma Tour, Highway 129 links up to Highway 101 at Chapleau which takes you to Highway 17 at Wawa. This trip is ideal for any mode of travel. Be sure to take a photo with the famous Wawa Goose, then experience one of the Top Ten Drives in Canada: Wawa to Sault Ste. Marie. The ride between Wawa and the Soo takes about 3 hours but we recommend you take a full day. There are so many opportunities to stop and photograph the scenery along Lake Superior.

RIDE LAKE SUPERIOR

Are you ready for it? Three states, one province and this immense lake make for a wicked road trip. It's humbling scenery, tasty places to eat, and bike-friendly, RV-friendly and family-friendly places to stay make the Lake Superior Circle Tour a must-do vacation. You'll experience different cultures, local traditions and meet unforgettable people all around the big lake. Motorcycle riders can learn more about Ride Lake Superior at www.ridelakesuperior.com.

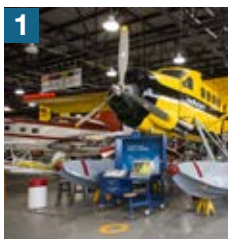

Grand Algoma Tour

DISTANCE: 682 KM / 424 MI DURATION: 2-3 DAYS

This spectacular 2-3 day tour takes you along the Superior coastline then inland through the heart of Algoma. Highlights include the magnificent scenery between Sault Ste. Marie and Wawa, the twisty Highway 129, and travelling along the shore of Lake Huron. You'll find Group of Seven interpretive panels, interesting attractions, restaurants, and great places to stay.

Things to See & Do

Canadian Bushplane Museum

Pancake Bay Provincial Park

Agawa Pictographs

Wawa Goose

Potholes Nature Preserve

Aubrey Falls

Algoma North Tour

DISTANCE: 328 KM / 203 MI DURATION: 1 DAY

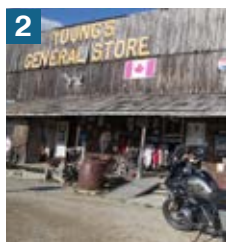

The Algoma North Tour begins on the shores of Lake Superior passing significant Ojibwe villages, graves of fur traders and adventurers, and along historic waterways. Follow Highway 17 from Wawa to White River, detour Highway 519 to Dubreuilville then make your way to Highway 631 to Hornepayne and connect at Highway 11 to Hearst.

Things to See & Do

Scenic High Falls

Young's General Store

Magpie River

Winnie-the-Pooh

Three Bears Statue

Heritage Sawmill Museum

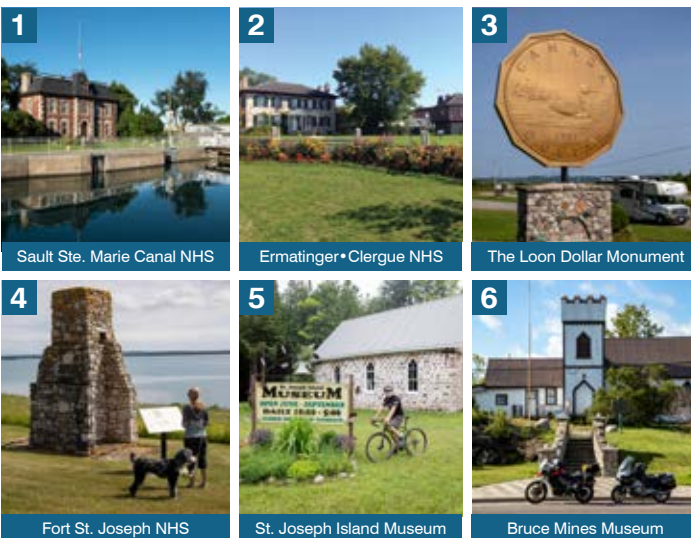

Island North Tour

DISTANCE: 218 KM / 117 MI DURATION: 1 DAY

Starting in Sault Ste. Marie, this day loop around St. Joseph Island is a must-do. Touring on the island and along the North Channel is unique and there's very little traffic on the country roads. Things you might like to do on St. Joseph Island: visit local shops, the St. Joseph Island Museum, Adcocks' Woodland Gardens, or stop for ice cream.

Things to See & Do

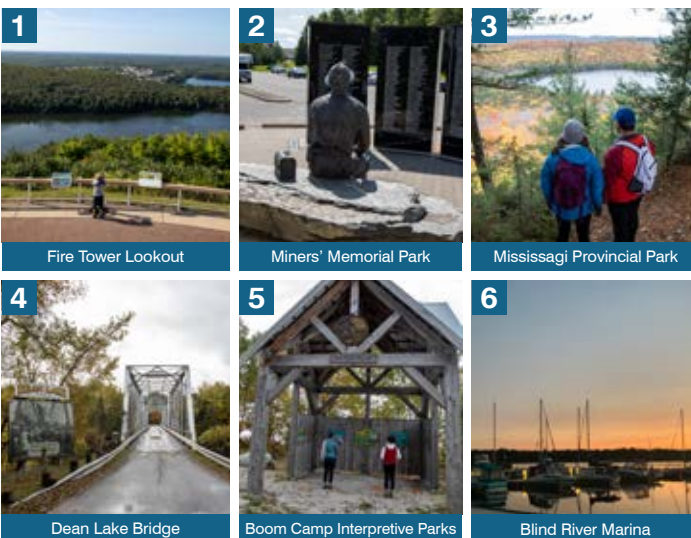

Deer Trail Touring Route

DISTANCE: 120 KM / 72 MI DURATION: 1 DAY

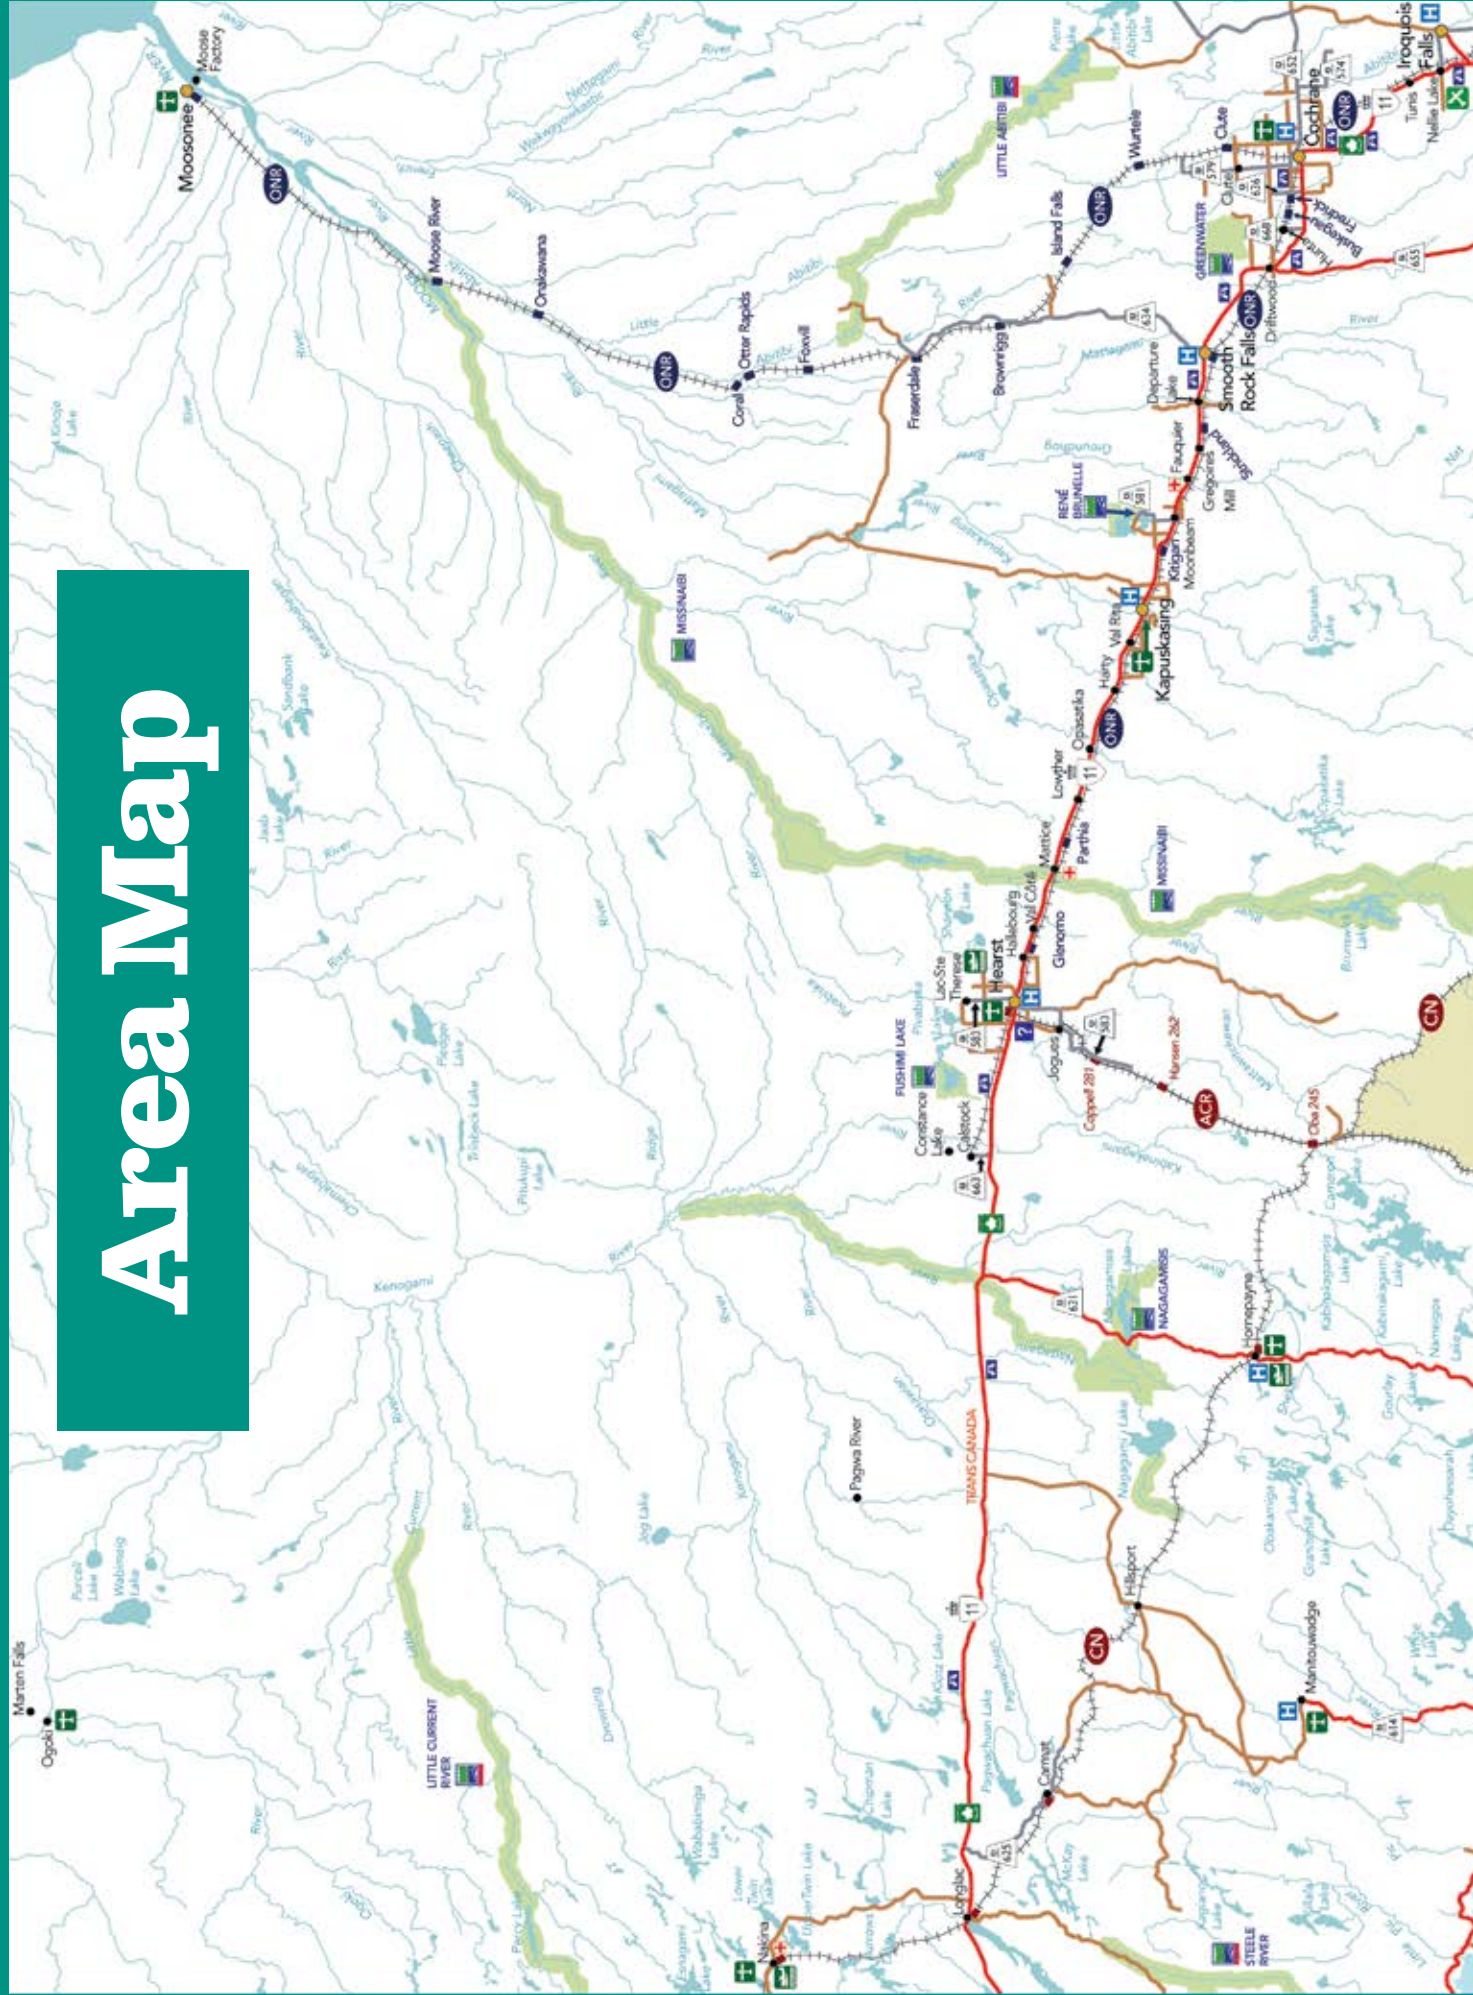

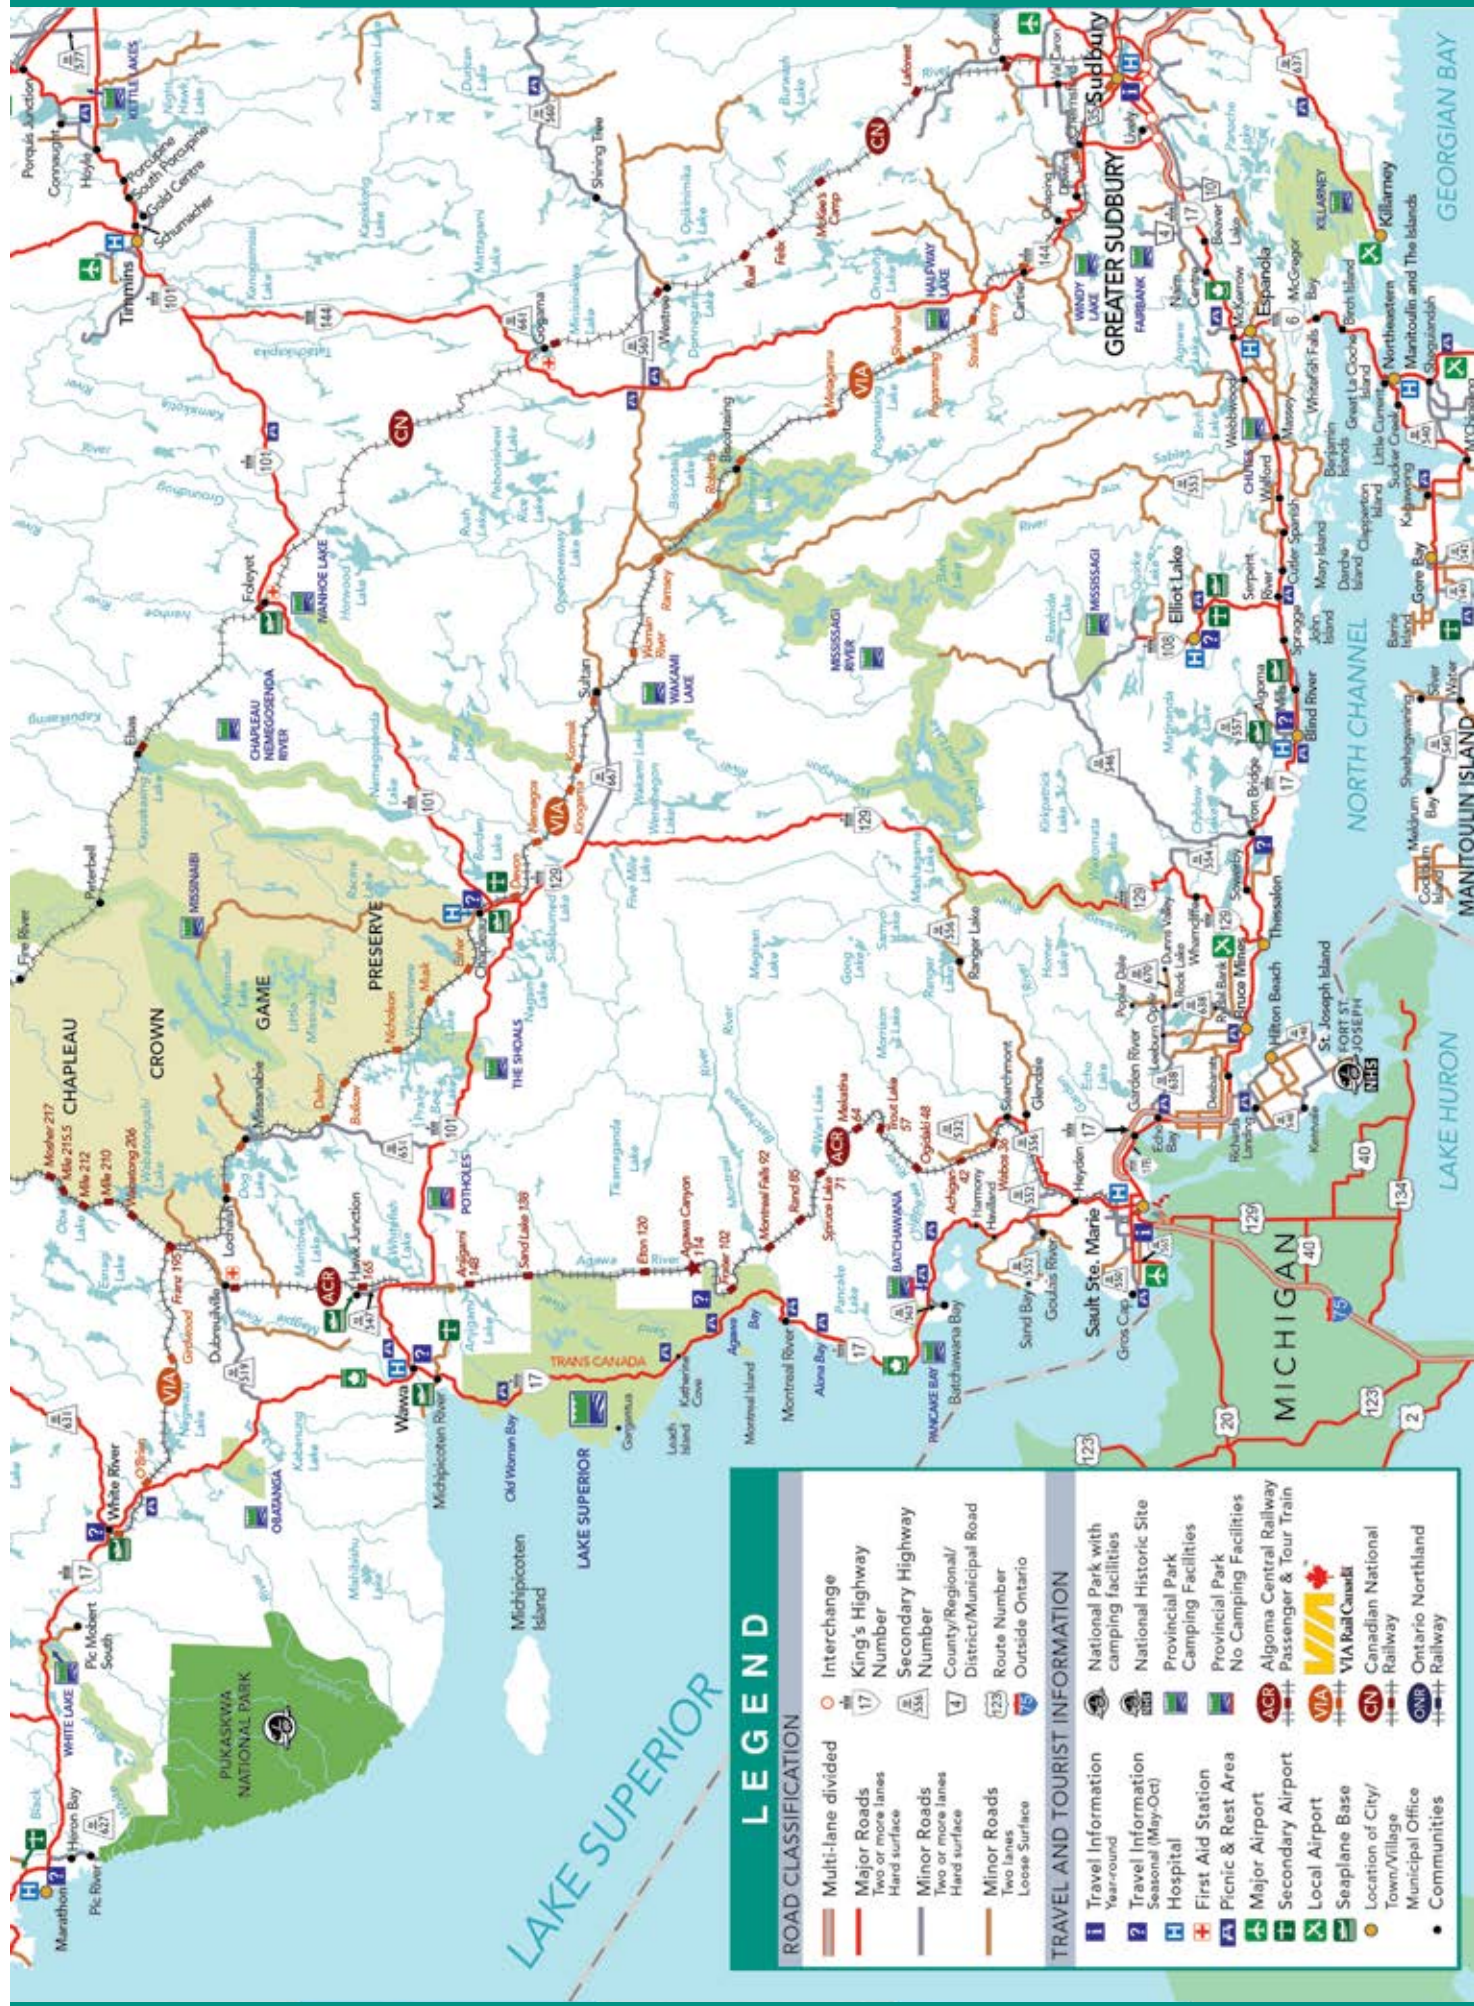

This route forms a loop around Elliot Lake, through Blind River and Iron Bridge. Following river valleys, this route is super twisty. If you're travelling by motorcycle you will encounter some rough roads, so this route is best suited to the adventure bike. Things to do: Fire Tower Lookout, beaches, artisan tours, historic and cultural sites.

MS Chi-Cheemaun Ferry

CROSSING TIME: APPROX. 1 HR 45 MINS.

If you want your adventure to start even before you arrive in Algoma, there's another way to get here from Southern Ontario. For over 40 years, the Owen Sound Transportation Company has been connecting Georgian Bay to Manitoulin Island. Ojibwe for "big canoe", Chi-Cheemaun ferry passengers are not only transported across Lake Huron but can take in the rich Indigenous heritage and beauty of Manitoulin Island before arriving in Algoma Country. This two-hour ride is a great option to relax while stretching your legs on deck.

CROSSING TIME

The crossing time from the mainland crossing at Tobermory & South Baymouth on Manitoulin Island is approx. 1 hr 45 mins.

FARES AND SCHEDULE

To ensure your spot on the ferry, it's important to book your reservation in advance. All fares are for non-stop transport to your destination. Passenger fares include pricing for adults, children, seniors, groups & family rates. The ferry can hold up to 143 vehicles of varying size, motorcycles and bicycles.

5 IMPORTANT THINGS TO KNOW:

1. Be sure to arrive 1 hour before sailing; this ensures the ferry operates on time and on schedule.
2. Tie-downs are supplied to secure motorcycles to the automobile deck.
3. For frequent travellers, there is a sailor loyalty program.
4. Pets are allowed in vehicles and there are designated pet-friendly spots on the ship's outside deck.
5. The Chi-Cheemaun is Accessible. Call the ferry service for more information.

For the ferry schedule, passenger and vehicle fares and to make reservations visit www.chicheemaun.com or phone 1-800-265-3163.

ATVing

Explore Trails That Scenic

Experience the landscape your ATV was built for: rocky terrain that winds through pristine wilderness. Be astonished at the panoramic views of Algoma in the spring, summer, and fall. Some of the region's fishing lodges offer guided ATV tours to remote lakes so you can enjoy the wilderness experience without the flight. Many of the area outfitters have trail maps, information on self-guided tours and of course offer expertly guided full-service overnight trips.

From ghost towns to abandoned mines and camps to that stellar view our outfitters will take you on the ATV adventure of a lifetime. You can choose the best in luxury accommodations, or simply sleep in a tent under a starlit sky.

GUIDED ATV TOURS

We recommend these guided tours as you will find plenty of hidden gems. ATV rentals are available in the region and have full guiding services for a half day, full day, or multiple day adventures, including winter rides by track. You'll find accommodations for any sized group including 5-star resorts, or a comfortable housekeeping cabin in the woods.

Fall Road Trip

A 5-Day Adventure through Algoma

Story and Photos By Sofie Sharom

Fall is the perfect time to explore Algoma Country, located from the North Channel of Lake Huron to the top of Lake Superior. This region is full of amazing outdoor experiences, and the best place to revel in the beauty of the autumn season. From breathtaking lookouts and epic hikes, to scenic drives and a one-of-a kind train tour, Algoma is the place to go for fall adventure!

DAY 1 - ELLIOT LAKE

Begin your exciting road trip west through Algoma Country in the quaint town of Elliot Lake, known for its easy access to outdoor adventure, and a must-stop for nature lovers. Drive to the top of the Fire Tower Lookout for stunning views of the surrounding landscape, then head downtown for a picnic lunch waterside at Westview Park. Lace up your hiking shoes at one of many outdoor trails in the region. For an easy hike, head to Sheriff Creek with ample wildlife viewing opportunities along trails of various lengths. For more challenging hikes and an opportunity to hit the water, hike the Helenbar Lookout Trail at Mississagi Provincial Park or take a peaceful paddle on Semiwite Lake.

DAY 2 - SAULT STE. MARIE

Hit the road early, pass by the historic Dean Lake Bridge on Hwy 17 as the morning sun glistens over the Mississagi River, then head west to Sault Ste. Marie, which is home to amazing art and cultural attractions. Spend time exploring the Canadian Bushplane Heritage Centre, the Ermatinger•Clergue National Historic Site, and the Art Gallery of Algoma. Then venture to the iconic Sault Ste. Marie Canal National Historic Site to watch boats pass through the giant locks. Explore the surrounding trails and cross over to Whitefish Island, an Indigenous settlement for more than 2,000 years, maintained by Batchewana First Nation. End the day on the Sault Ste. Marie boardwalk for an ice cream and sunset stroll.

DAY 3 - AGAWA CANYON TOUR TRAIN

A unique and sought-after adventure in the region, the Agawa Canyon Train Tour is a must in Sault Ste. Marie. Board the train at dawn and embark on the spectacular 183 km journey to the Agawa Canyon. With your free time in the park, climb to scenic viewpoints, hike to awe-inspiring waterfalls, or enjoy a quiet lunch waterside. Book your tickets well in advance, as this popular adventure sells out regularly.

DAY 4 - LAKE SUPERIOR PARK

Drive towards Lake Superior Provincial Park and make a quick stop at Chippewa Falls, the halfway point of the Trans Canada Highway. As you continue north you'll see the landscape shift into dramatic steep hills surrounded by dense forest, outlined by the crystal-clear waters of Lake Superior. With numerous trails ranging in difficulty, many paddling opportunities, beaches, hidden coves, and scenic lookouts, there are countless adventures waiting in Lake Superior Provincial Park.

Beach lovers will appreciate Katherine Cove and Old Woman Bay with their stretches of idyllic sand, while waterfall lovers will want to explore the Sand River (Pinguisibi) trail. A must-stop for hikers is the Agawa Rock Pictographs, and those looking for a challenging day trek will want to climb to the top of the Nokomis Trail.

DAY 5 - WAWA

What's a visit without a photo of the Wawa Goose? After your mandatory selfie at the Visitor Centre with the giant winged bird, venture to the Lion's Beachfront Heritage Walk for a morning stroll, and be sure to visit the Mine Driller Memorial at the beaches north end to learn about the region's rich mining history.

There's no better way to experience Lake Superior than by joining a paddling adventure. Naturally Superior Adventures offers a wide range of tours, from half-day to multi-day, for beginners or seasoned pros. Learn or perfect your paddling skills on Lake Superior or explore hidden spots on the calmer Michipicoten River. End the day with a sunset stroll on the golden sands of Sandy Beach in the Michipicoten and watch as the pastel hues of the day fade away.

Accommodations

Enjoy Stays That Relaxing

There is nothing better than a solid sleep when you're on vacation. No matter your destination in Algoma Country, there are many accommodations for every taste and price point. What makes our sleep time so special is that you are never far away from your favourite outdoor adventure. We have all the big brands and unique independently run hotels and motels throughout Algoma. The region is home to cottage resorts, bed & breakfasts, lodges and outposts offering a relaxing getaway.

And best of all, they're all right on the doorstep of Algoma's legendary wilderness.

The accommodations in the region allow you the flexibility to plan an overnight stay, a week-long escape, or a weekend getaway. As a four-season destination, many of these places to stay offer packages to experience incredible outdoor adventures, are close to area attractions and local arts and culture throughout the region.

Hit the Trail

If You Have the Time; We Have the Adventure

Story and Photos By Martin Lortz

We might be biased when we say that Algoma has some of the best snowmobiling in the world. With 3,200 km (2,000 mi) of groomed trail, annual snowfall of 300+ cm and a season that often lasts from December to April, you can see why. We understand that time is a precious commodity and are happy to help plan your next Algoma snowmobile adventure. Be it a day, a weekend, or more, if you have the time, we have a tour that will provide the adventure.

ONE DAY

Tight on time, no problem; the 169 km Soo Highlands Loop is a perfect one-day adventure. Starting in Sault Ste. Marie, head north and discover the winter wonderland and rugged landscapes of the Algoma Highlands. At the loop midpoint, Searchmont Ski Resort offers a chance to enjoy a hot lunch before making your way along some of the best snowmobile trails anywhere. With three staging areas within Sault Ste. Marie city limits, snowmobile-friendly accommodations, and easy access to eateries and winter nightlife, the Soo Highlands Loop experience is one not to miss.

TWO DAYS

At 450 km, the North Shore Loop is a weekend-worthy epic adventure. From the distant feel of Algoma's remote landscape to the welcoming communities along the North Channel of Lake Huron, there is much to explore.

Staging from Elliot Lake to the east or Sault Ste. Marie to the west, follow the signs and experience the diversity of the North Shore Loop offers. Along the loop's northern trails, experience Algoma's wilderness of rugged Canadian Shield, old-growth forests, rushing rivers and vast vistas. Along the southern stretch, follow the shore of the North Channel of Lake Huron. Communities of Spanish, Algoma Mills, Blind River, Iron Bridge and Bruce Mines are accessible along the way, offering accommodations and opportunities to refuel the sleds.

Looking for more weekend-worthy snowmobiling experiences? The Connector Ride from Sault Ste. Marie to Chapleau and back is a good one. Involving a couple of long days in the saddle, be sure to bring extra fuel for this one.

MORE THAN TWO DAYS

The out-and-back 'All The Way There' ride stretches north 700 km from Sault Ste. Marie to Hearst. Experience some of the most remote and rugged wilderness Ontario has to offer. The best part of the out-and-back format is you can do all or part of it, making it suitable for any schedule. No matter your plan, the adventure starts from the get-go, with 300 plus km between Sault Ste. Marie and Wawa with no refuelling options; day one is a big one and bringing extra fuel is strongly recommended depending on the sled you ride. You can reduce that distance to around 250 km by staging from Searchmont.

Sault Ste. Marie to Wawa and back makes for a fantastic weekend for the big miles fans. For those with more time, the communities of Wawa, Sault Ste. Marie, White River, Dubreuilville, Hornepayne and Hearst make worthy destinations offering accommodations, amenities and even local loops to explore. Those who manage to get 'All The Way There' and back expect to add 1,400 km to your odometers and a lifetime of memories.

We understand that a time commitment is required to discover Algoma's 3,200 km (2,000 mi) groomed snowmobile trails. The good news is, you don't have to do it all in one go, be it a day, a weekend or more; if you have the time, we have a tour that will provide the adventure.

GETTING HERE

From Southern Ontario, travel north along the Trans Canada Highway 17. From the USA, via I-75 and the Sault Ste. Marie International Bridge. By snowmobile, crossing the ice bridge connecting Drummond Island, Michigan, to St. Joseph Island or along Ontario's groomed snowmobile trail network.

Boating

Sail Waters That Boundless

The Algoma region is surrounded by two of the largest freshwater lakes in the world Lake Superior and Lake Huron. The landscape is home to many inland lakes and countless rivers, making for outstanding water adventures for power-boaters, and sailors. Lake Huron boasts more than 30,000 islands while secluded coves, bays and inlets abound along Lake Superior's coastline.

Culture & Heritage

The number one reason people love Algoma Country is for its iconic Canadian landscapes and what you can do in them. This region is rich in history and culture that is brought to life by attractions, culinary experiences, and festivals and events, surrounded by the landscapes that inspired Canada's Group of Seven painters.

Parks Canada

Nature, History & Adventure

FORT ST. JOSEPH NATIONAL HISTORIC SITE

Fort St Joseph was a thriving community of soldiers, Indigenous peoples, and fur traders during the early 1800s. Experience life at the fort through daily heritage demonstrations highlighting traditional crafts, skills, and foods. Feel the breeze off the St. Marys River as you picnic on site, walk among the ruins of the fort, or explore nature trails by foot or bike.

PUKASKWA NATIONAL PARK

Equal parts a cultural and natural wonderland, Pukaskwa combines authentic boreal wilderness with longstanding Anishinaabe culture. Bring your hiking shoes and explore the park's scenic trails, from easy forested walks to sloping coastal hikes. Picnic in wild coves, and experience the local Anishinaabe culture. This vast, wild and natural playground is waiting for you!

SAULT STE. MARIE CANAL NATIONAL HISTORIC SITE

Just a short distance from downtown Sault Ste. Marie, discover an urban oasis at the Sault Canal. Once part of the busiest commercial lock system in the world, today the Sault Canal is a premiere tourist attraction. Learn about the construction of the Canal and the significance of the St. Marys rapids to the Indigenous peoples in the new visitor centre and exhibit located in the historic Blacksmith's Shop and Stores Building.

Attractions

Places That Memorable

There are many stories to be told in Algoma. The Agawa Rock Pictographs, a sacred site on Lake Superior, tells the story of the Ojibwe people. Visit the ruins of Fort St. Joseph National Historic Site then walk the nature trails of this remote outpost. The Heritage Sawmill in Hearst, the Bruce Mines Museum, and the Chapleau Centennial Museum are just a few of the museums where you can explore our area's past.

Shop at Farmers' Markets for fresh, locally grown foods and handmade artisan products. Learn about the productive life of insects at Entomica. Take part in art classes and workshops, live theatre and music festivals.

Attractions in Sault Ste. Marie include the Canadian Bushplane Heritage Centre, Sault Ste. Marie Museum, Ermatinger•Clergue National Historic Site, and the Art Gallery of Algoma. Visit Shingwauk Kinooamaage Gamig (SKG) in Sault Ste. Marie (Baawaating) the newly opened Teaching Lodge that preserves the integrity of Anishinaabe knowledge and understanding.

Check out the world's largest Game Preserve in Chapleau, the famous Agawa Canyon Tour Train, the Wawa Goose, landscapes that inspired Canada's Group of Seven, and the Fire Tower Lookout in Elliot Lake to see what makes Algoma a unique destination in Ontario.

TOURING ROUTE

Chasing The Landscapes of Algoma

Story and Photos By Rob Stimpson

As I travel to the Algoma region photographing some of the iconic painting locations of the Group of Seven artists, it is clear that the landscape here has not changed much since the glaciers rolled over it some 12,000 years ago. I follow the recently created Group of Seven Touring Route, a designated driving tour, it is not hard for me, as a professional photographer to understand the Group's attraction to this landscape.

Some say that the landscape inspires; it speaks to the artist who takes that inspiration and creates their own interpretation. Certainly Algoma and the spell of Lake Superior will grab you. Artists, musicians, writers might call this their muse and Algoma became that for the iconic Group of Seven. After the death of painter Tom Thomson; Lawren Harris, J.E.H MacDonald and Dr. James MacCallum, the principal benefactor of these artists migrated north from Algonquin and Georgian Bay to explore Algoma. MacDonald wrote, "It is a land of Dante's heart" in describing how the landscape here "all the attributes of an imagined Paradise." Soon to follow were artists A. Y. Jackson, Arthur Lismer, Franz Johnson and then later, the newest member of the Group, A. J. Casson.

My first stop is at Chippewa Falls just off the Trans Canada Highway. Heading along the highway in the grey smokey mist of the early morning light, I navigate the big hill leading down to Goulais River but the views of Superior are still shaded in the darkness. Chippewa Falls is close to the highway, actually marking the halfway point of the Trans Canada Highway. The landscape here is classic Canadian Shield. Gnarled rock, scrapped clean by the glaciers, tall pines and cascading water leaping to the river below. Climbing one of the trails, I see the big lake in the distance. One of iconic picturesque Group of Seven signposts can be found at the trailhead here. It shows A. Y. Jackson's painting of the falls, created in 1955.

Sandy Beach, another painting location on Lake Superior is a short distance from Wawa. This location is covered in dune grass, offers a long sandy beach with rocky outcroppings and a long view of Superior. Mother Nature never disappoints as I walk out from the parking lot into a stunning panorama of forest and headlands. A. Y. Jackson painted *Shoreline, Wawa, Lake Superior* here in 1955.

Neys Provincial Park is my next destination. This location is where the iconic paintings by Harris, his creative interpretations of Pic Island which noted comedian and movie star Steve Martin owns in his personal collection; Casson's Pike Lake with its striking earth tone layers of colours and Lismer's depictions of the Superior landscape swiftly come to mind. I have the place to myself. The beach is empty. The lake is quiet, only a gentle lapping of the waves greet me.

situated about 6 km west of Port Coldwell where Pike Lake is. Heading back south to Montreal River where MacDonald painted *The Solemn Land* as well as other canvases. The light is amazing, so I pull off the highway, close to Superior. I put the drone up and capture images that might give the viewer a sense of the landscape that MacDonald painted almost a century ago.

Next is Port Coldwell, having never explored this location, the remains of a tiny fishing community in the 1920s, is now a distant memory. I now realize how many paintings the Group of Seven created here. Lismer's October on the *North Shore, Lake Superior*, painted in 1927, was painted from the left side of the bay looking across to Neys. Casson spoke about this area, the storms and wind they encountered and how they endured those hardships to be able to paint. He wrote later "The North Shore of Lake Superior was a revelation to me and my sketches of the area were a major departure from anything I had done before." Looking at Casson's painting of Pike Lake, which he says was a short hike from where they camped, you can locate that area

The arts and cultural history of Ontario is extensive and Algoma has its share of arts experiences to offer the traveller. As the German philosopher J. G. Fichte (1762-1814) once said, "Aesthetic experiences might not straightforwardly make us wiser or better people, but the unploughed fields of our minds are nevertheless opened up."

Definitely take the time to visit these great works of art in our museums and galleries; then set out to explore the 'Group of Seven Touring Route' and see those these beautiful Ontario landscapes that will certainly inspire you.

Eat & Shop

Food & Shopping That Unique

FOOD EXPERIENCES

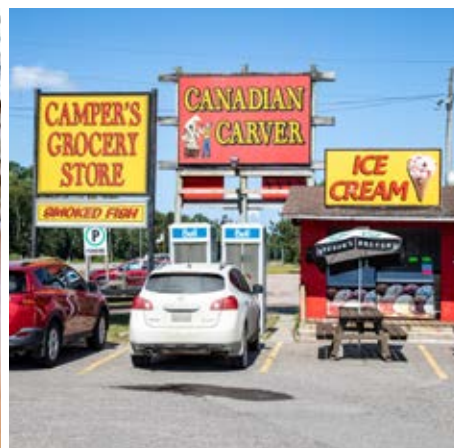

Food and drink are what bring us together. You can enjoy a variety of Northern culinary experiences in Algoma. Wild blueberries, the Friday night fish fry of locally caught fish, maple syrup, and fresh produce are just some of the ingredients you'll find on the menu. In fact, Algoma is the centre of maple syrup production in the province of Ontario.

The region is home to craft breweries, locally made wine, and the award-winning, Loon Vodka. Sault Ste. Marie is renowned for its Italian food and pizza parlours. Enjoy a taste from around the world like Polish perogies, Croatian cabbage rolls, a spicy West Indian curry, or a favourite hotspot for sushi.

SHOPPING

Commemorate your vacation with Canadian-made crafts and souvenirs, or a piece handcrafted by local and Indigenous artisans. Woodworking, pottery, paintings and artwork are Algoma must-haves. One-of-a-kind eccentric collectibles, racks of vintage clothes, vinyl records, and furniture can be found at antique and vintage shops. Our local shops and fine retailers across the region offer beautiful clothing, home decor and gifts.

Algoma is home to one of the largest shopping malls, the Station Mall, in downtown Sault Ste. Marie. Shopping in the region is as unique as the surrounding landscapes. Learn more here: www.algomacountry.com/shopping

Cities & Towns

Visit Algoma Country's amazing communities, participate in festivals and events, and enjoy one-of-a-kind attractions in the region. With Lake Superior to the North and Lake Huron to the East, Algoma is the gateway to both of these Great Lakes.

Sault Ste. Marie

Sault Ste. Marie is emerging as one of Ontario's best adventure towns. From mountain biking along some of the new and ever-expanding trails in Kinsmen Park and the Hiawatha Highlands to paddling along the St. Marys River waterfront, the Soo has outdoor adventures for all ages.

Originally named Baawaating, meaning 'Place of the Rapids,' Sault Ste. Marie has a long history of being a traditional gathering place, and to this day remains a meeting place of cultures with residents and tourists hailing from all over the world. The rapids' incredible fishing is another major draw to the city and contains what Ernest Hemmingway described as 'the best rainbow trout fishing in the world.' The rapids' easy access to the downtown, plus the number of expert guides available means you can easily partake in this truly bucket-list experience during your visit.

The Soo is also the perfect place to relax. Visitors can stroll along the beautiful waterfront boardwalk watching boats and 'lakers' locking through between Lake Huron and Lake Superior. Several patios and restaurants along the waterfront offer refreshments, as well as picturesque views of the water. For a family activity the boardwalk is a send-off point to the 22.5 km Hub Trail city loop; a walking or biking path that circles the city passing many great stops along the way.

Visit in the winter for some of the best cross-country skiing in North America, plus nearby Searchmont Resort has some of the highest vertical downhill skiing in the area. Sault Ste. Marie's downtown comes alive in the winter with the beautiful Clergue Park ice-skating rink, and there are also countless opportunities for snowshoeing and popular fat biking throughout the city.

Major attractions include Agawa Canyon Tour Train, Miss Marie Sault Lock Tour, Art Gallery of Algoma, Canadian Bushplane Heritage Centre, Entomica, Ermatinger-Clergue National Historic Site & Discovery Centre, Gateway Casino Sault Ste. Marie, Hiawatha Highlands, Sault Ste. Marie Canal National Historic Site, Sault Ste. Marie Museum, Searchmont Resort, Stokely Creek Lodge, and the Waterfront Adventure Centre.

Superior's North Shore

HEYDEN, GOULAIS RIVER, SEARCHMONT, HAVILLAND BAY, HARMONY, BATCHAWANA BAY, PANCAKE BAY, MONTREAL RIVER HARBOUR

Taking a ride on the tour train, or just visiting Sault Ste. Marie? Be sure to grab your swimsuit, fishing gear, camera, cross country skis or snowmobile and head up Highway 17 North where you have the choice of tent and trailer parks, motels, cabins and resorts. Travel 56 km to Batchawana Bay, home to miles of safe sandy beaches, picnic areas, restaurants, gift shops and much more.

Further up Highway 17 North to Montreal River Harbour is prime touring country for the do-it-yourself fall colour tour mid-September to mid-October when the greens of summer transform into an explosion of spectacular fall colours.

Wawa
Ontario

Wawa

The community of Wawa takes its name from the Ojibwe word Wawungonk, which has been translated as “place of clear water” – a meaning that still resonates today. The hub of a vast wilderness vacation area, this town of 3,000 is located at the junction of Highway 17 and 101, 227 km (150 mi) north of Sault Ste. Marie. To visitors, Wawa is well known for its famous Goose Monument, which stands overlooking Trans Canada Highway 17. Wawa’s location on the northeastern shore of Lake Superior and surrounded by inland lakes make it an attractive destination for boating, fishing, and other adventures.

The Wawa Tourist Information Centre is located at the junction of Highway 17 and 101. Open from May to the last week of September. Visitors may reach us year-round by calling toll-free at 1-800-367-9292 ext. 260.

Email at info@wawa.cc or visit www.wawa.cc.

Our mailing address is Box 500, Wawa ON POS 1K0.

Chapleau

Join us at our waterfront park which includes a splash pad, playground, picnic area, swim area, and public boat launch! Be sure to stop in our picturesque town and become lost in the splendour of Northern Ontario’s beauty.

Chapleau is a historic community founded in 1901 and is still thriving today. It is known as the gateway to the Chapleau Crown Game Preserve; a crowned Ultimate Fishing Town (2011) winner of Angler’s Atlas Ontario Ice Fishing Challenge 2022; and a community deeply connected to some of Ontario’s great waterways.

Whitewater enthusiasts come from around the globe to paddle the Missinaibi River all the way to Moosonee or navigate the Chapleau – Nemegosenda loop. Outdoor recreation such as paddleboarding, kayaking, camping and ATVing are also available in the Chapleau area. Wildlife and bird watchers come in search of the white moose at Foleyet, loons on a calm lake, and black bears at their best. Anglers find walleye, pike, perch, and much more. Hunters also know Chapleau as a destination for big and small game.

Enjoy lakeside cabins, relaxing hikes, and incredible sunsets. Views of the Milky Way and Northern Lights make Chapleau a special location for photographers and stargazers. Take in some local culture at the Collins Art Gallery (69 Birch Street) or the Chapleau Centennial Museum (94 Monk Street) / Travel Information Centre. RVers have access to the RV dump station (4 Maple Street).

If winter is your time of year, come and experience our spectacular snowmobile trail network, drop a line through the ice on one of our countless lakes, compete in our annual Pike Ice Fishing Derby, or attend the Taste of the North Winter Carnival. Chapleau is also home to a golf course, fine retail stores, restaurants, parks, and modern health care facilities.

Chapleau is easily accessible by road (Highway 129 or Highway 101) and by rail on the Via Rail network. Visitors may reach us year-round by calling (705) 864-1330, visiting us online at www.chapleau.ca, or stopping by the Chapleau Travel Information Centre / Centennial Museum from May to September.

Dubreuilville

Dubreuilville is a true Northern Ontario French Canadian town located only a short distance off Highway 17 North via Highway 519 just between Wawa and White River. Looking for a unique place to escape? Dubreuilville is the place to visit!

Located just over 300 km (186 mi) north/west of Sault Ste. Marie, Dubreuilville is a friendly vibrant community ready for you to explore. Here you can take advantage of exceptional hunting, fishing, snowmobiling, motorcycle or ATV experiences. Dubreuilville is the outdoorsman's paradise. Our lakes and our rivers are abundant with walleye, northern pike, and trout.

The majestic forests that surround us contain the heaviest moose population in Northern Ontario, as well as a healthy partridge population.

In short, this is the perfect opportunity to hunt large or small game and ride the wonderful all-season trails. In addition, if geocaching is of interest to you, why not find a few geocaches during your visit. For more information, contact (705) 884-2340 ext. 21 or visit www.dubreuilville.ca or email: township@dubreuilville.ca

Dubreuilville caters to one of a kind adventurers and offers four season trail access to ride or trek through the Mooseback trail system by ATVs, Dual Sport Motorcycle & Snowmobiles or explore the area by cross country skiing & snowshoeing. All trails lead to unforgettable fishing and hunting opportunities. Let our Francophone community charm you with open arms, culture and heritage that you will remember forever.

We are open for business & endless possibilities await you!

White River

Founded by the railroad, flourished by the forest, home to a beloved storybook character, and is now lined with gold! White River is located squarely on Trans-Canada Highway 17, approximately 3.5 hours northwest of Sault Ste. Marie and 4 hours east of Thunder Bay. White River is a tight-knit northern community surrounded by gray granite, flush with tall dark pines, and boasts a seemingly endless expanse of rivers, lakes, and streams. Standing proudly for over 125 years, it is rich in railroad history and is recognized for being the birthplace of the bear who inspired the beloved book character, Winnie-the-Pooh.

White River's unique culture, distinctive landscape, and endearing history cement it as one of the most charming and remarkable hidden gems in Canada. Travel to enjoy the bevy of outdoor experiences that permeate the community or to enrich yourself with the stories that have made White River an integral part of Canadian culture and history for over a century. You'll be elated you made White River a part of your journey. For more information, contact the White River Tourist Information Centre, PO Box 307, 102 Durham St, White River ON P0M 3G0, or phone toll-free at 1-888-517-1673.

Hornepayne

Hornepayne, the geographic centre of Ontario, is nestled between Trans Canada Highway 17 and Highway 11 in the beautiful boreal forest. We are surrounded by living and natural beauty. We enjoy fishing, hunting, bird watching and anything outdoors in a laid-back and casual atmosphere. Snowmobile and cross-country ski trails abound. Our community is the main stop for the Canadian National Railway and the cross-Canada VIA Passenger Train. Our municipal airport has a 3,500 ft paved runway for both private & charter aircraft use and our seaplane base offers access to amazing fly-in resorts. We are on a quest for continual improvement and quality of life that will make us the place where people want to live, work, visit and invest. We invite you to our remarkable little town to partake in the beauty that surrounds us. For further information, call us at (807) 868-2020, fax (807) 868-2787, visit www.townshipofhornepayne.ca or email edo@hornepayne.ca

Hearst

In the heart of Northern Ontario, and the boreal forest, Hearst is the moose capital of Canada. With its abundance of parks and green spaces, this charming community is a wonderful place to visit. You can enjoy the solitude of the untouched backcountry on your sled, adventure bike, ATV or even on foot. In addition, hundreds of kilometres of marked and groomed trails, allow Hearst to remain one of the greatest snowmobile destinations. Explore our many waterways by paddling the rivers and lakes surrounding the area.

Hearst is largely defined by its forestry sector and its entrepreneurial spirit. History enthusiasts can tour The Heritage Sawmill Marketplace which allows you to learn about the forest industry that shaped the community, while the Ecomuseum provides a glimpse into the lives of pioneers.

Hearst is a 94% French-speaking community, but remains energized by the cultural richness that is meshed with Oji-Cree and Euro-Canadian heritage. With its Francophone hospitality, this is a place where you can experience various cuisines.

Culturally, the Hearst Arts Council offers a diversity of artistic activities and exhibits. Witness a ritual Oji-Cree gathering at the Annual Constance Lake First Nation Pow Wow.

Hearst offers a variety of physical activities for all levels of fitness. In the summer, tennis players can use the local courts for free. A quick ride 3.5 km on Highway 583 North, brings you to the Hearst Golf Club, a 9-hole public course which is both challenging to low handicappers yet playable for beginners.

For runners, hikers or cyclists, we offer almost 7 km of trails along the north and south shores of the Mattawishkwia River. The northwest section of the trail offers a challenge with the newly built outdoor exercise area.

In winter, the Hearst Cross-Country Skiing and Snowshoe Club has over 20 km of exceptionally groomed trails with 2.5 km that are lit for evening skiing. Snowshoes and ski can be rented. Come enjoy the longest ski season in Ontario. When planning your trip, make sure to pack your skates, as the rink at the Claude Larose Recreation Centre is accessible during school days from 9 am to 3 pm, for a few dollars. Public skating sessions are offered free of charge at specific times. Finally, take in a Junior A hockey game, when our Lumberjacks take on their rivals from the Northern Ontario Junior A Hockey League (NOJHL). www.hearstlumberjacks.com/schedule

«Impossible to forget... »

Hearst is celebrating 100 years of existence in 2022-2023! We are proud to express that a community effort is being deployed since last year in preparation for the various activities and commemorations that will take place during this memorable year.

Visit our Facebook page at [Hearst2023](https://www.facebook.com/Hearst2023) to get a full list of programmed activities.

Prince Township

When Septimus Prince arrived here in 1860 he saw a place rich in natural beauty. Today, the splendour remains. We plan to keep Prince Township 'simply beautiful' for years to come. Gros Cap Marina Park offers a universally accessible, safe and easy way to launch and dock kayaks and canoes. The park offers a small tenting area for cycling and/or water travellers and a washroom facility. The Fisheries and Oceans Marina offers a boat launch and docking facilities. Experience our section of the Voyageur Trail System. The Saulteaux Voyageur Trail Club schedules over 30 outings a year including hikes, trail maintenance, snowshoes, bushwhack skis and backpacking. As well, a snowmobile trail meanders through the township. Prince Township provides a Festival and Events Pavilion, which can be rented for parties, weddings, and other events. In the winter months, the covered rink is rented for hockey, and parties, and offers free skating time.

In the hamlet, you will find our Pickle Ball Court, with an adjacent playground. We also have a playground at the corner of Deans Road and Walls Road. Visit our library and EarlyON Child & Family Centre. Take in the annual Car Show, Tractor Parade, Vendors' Market and museum in the summer.

You'll find delicious food at Boots and Saddles and all the amenities you'll need at the Airways General Store, including

fuel and propane. Don't miss the stunning views and breathtaking sunsets where the St. Marys River ends and Lake Superior begins. The fall colours adorning the Precambrian shield are a must-see!

Echo Bay

The Township of Macdonald, Meredith & Aberdeen Additional is located along the shores of Lake George, 30 km (18 mi) east of Sault Ste. Marie, Ontario and is characterized by a vast vista of the rural countryside. As one of Central Algoma's largest municipalities, this area offers its citizens and tourists access to all conveniences found within the larger communities. Accessibility to several freshwater inland lakes, together with the region's wooded areas, create the opportunity for endless winter and summer activities. The beauty of this area is further enhanced by the existence of several species of wildlife.

Echo Bay is home to the Loon Dollar Monument as well as multiple parks. Located at 67 Church Street is Hurley Park which has been newly renovated with Sport Court and includes a tennis court, a pickleball court, a basketball court and a ball hockey area. Our Sportsplex is located at 83 Bay Street and has full arena amenities, recreational fields, the Milligan Gazebo and two children play areas. Visitors can reach us by phone at (705) 248-2441, or by emailing twpmacd@onlink.net. Our mailing address is 208 Church Street, PO Box 10, Echo Bay ON P0S 1C0, or visit our website at www.echobay.ca.

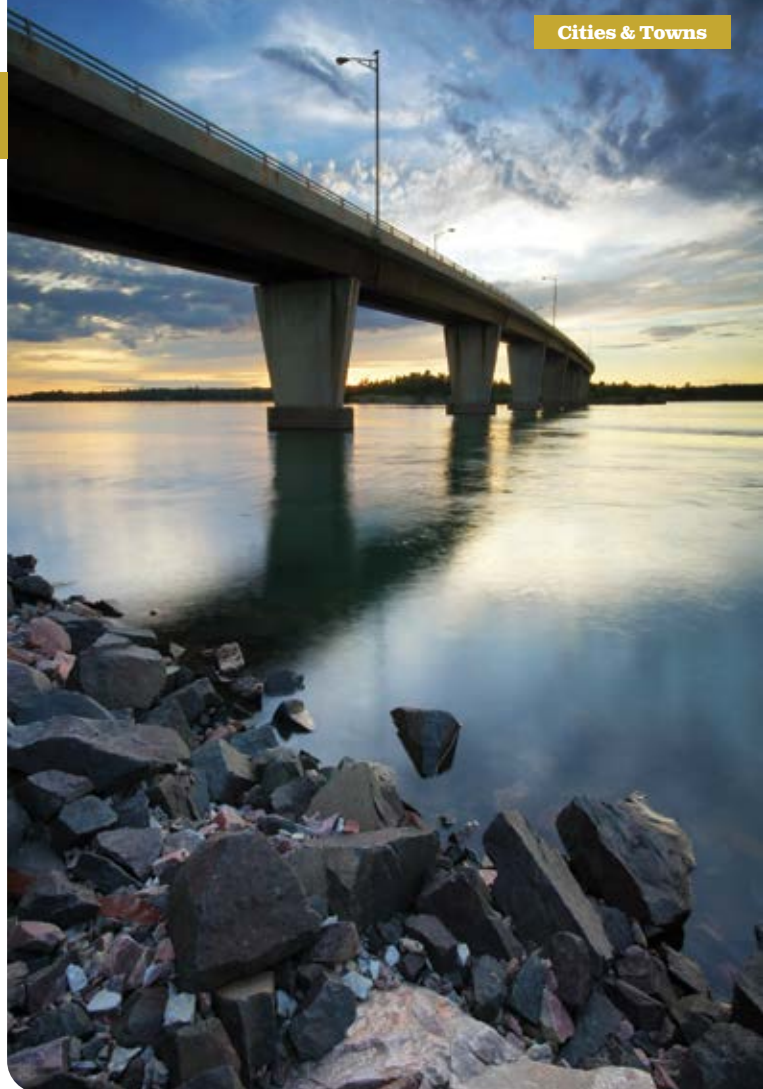

St. Joseph Island

Many colourful stories – some legend, some historical fact — are told about St. Joseph Island, the 2nd largest freshwater island in the world, situated in the channel between Lakes Huron and Superior. About 45 km (28 mi) long and 24 km (15 mi) wide, the 140,000-acre island is 56 km (28 mi) east of Sault Ste. Marie via Highways 17 and 548. Originally named Anipich, the Ojibwe word for “place of the hardwood trees”, the Island was given its present name by Jesuit missionaries to honour the patron saint of a new Indian church they were building.

St. Joseph Island has been listed as the ideal destination for “ride and bike” cyclists. Whether you’re an avid cyclist, a weekend enthusiast, or just cycle for fun and fresh air, St. Joseph Island offers the perfect mix of rolling hills, canopied side roads, picturesque vistas, low traffic rates and friendly services for distance riding or circular routes.

Fort St. Joseph National Historic Site of Canada is a must-see stop. The British chose St. Joseph Island as the ideal location for a fort because of its proximity to Fort Mackinac, the navigation routes controlling the fur trade and access to the Great Lakes. It was from Fort St. Joseph that a surprise invasion took place in 1812, leading to the capture of the American Fort on Mackinac Island.

The Island is linked to the mainland by a toll-free bridge, opened in 1972. With full-service marinas, libraries, public beaches and trails within easy walking distance of the business centre, St. Joseph Island has something for everyone.

The two villages, Hilton Beach and Richards Landing, have a variety of businesses to serve the traveller, as well as hosting many community events.

Hilton Beach

The beautiful Village of Hilton Beach offers many amenities including, a general store, post office, motel, seasonal tourist park (with trailer hook ups), a public library, playgrounds, a boardwalk and a public beach. Visitors are invited to walk around the Village and experience the local wildlife including otters, muskrats, deer, and an abundance of birds and butterflies. Our full-service marina is one of the largest in the North Channel and one of the most scenic on the Great Lakes.

Hilton Beach hosts unique events all summer long including one of the largest art shows in the area, a classic car show, and a community night parade & festival.

For more information write Village of Hilton Beach, Box 25, Hilton Beach ON P0R 1G0, email info@hiltonbeach.com or visit us online at www.hiltonbeach.com.

Richards Landing

The Township of St. Joseph, which includes Richards Landing, was incorporated in 1876. Richards Landing is the largest settlement on the Island and provides a wide range of recreational, cultural, health, entertainment, business and financial services to the Island community.

You'll find unique shops and eateries in Richards Landing, historic sites of interest, as well as many exciting events and festivals during the summer and fall months such as annual art shows, music festivals, maple syrup festival and the "Just Passin' Through" concert series to name a few.

The Richards Landing Municipal Marina is a full-service marina with showers and laundry, pump-out, free internet service for boaters and exceptional waterfront dining, all within steps of the downtown business area. The view of the Bridge and the St. Joseph Channel is not to be missed.

Contact The Township of St. Joseph at 1669 Arthur Street, Richards Landing ON P0R 1J0 or phone (705) 246-2625. Email: clerkadmin@stjosephmunicipality.com

Johnson Township

Established in 1889 Johnson Township is located 60 km east of Sault Ste. Marie on the Trans-Canada Highway 17 and home to the hamlet of Desbarats. With access to the beautiful North Channel of Lake Huron, we are home to several freshwater lakes excellent for fishing, paddling, swimming, boating, and more. Johnson Township is a vibrant agricultural community with a seasonal Farmers' Market supported by the local Mennonite community.

Home to the wildlife preserves of The Kensington Conservancy including walking trails and scenic lookouts. The Central Algoma Elementary/Intermediate/Secondary School(s) and the Johnson Township Community Centre and Arena. We provide a full range of recreational events and programs including winter and summer community festivals, the annual Fishing Derby, ATV Poker Run, and the Big Buck Contest. Along with the North Shore (youth) Slo-Pitch & Soccer Associations, the Adult Recreational Hockey League and the Youth Recreational Hockey Association.

The Voyageur Trail, the Waterfront Trail Cycle Route and major snowmobile and ATV trails pass through the township. Contact Johnson Township at 1 Johnson Drive, PO Box 160, Desbarats ON P0R 1E0 705-782-6601 www.johnsontownship.ca

Bruce Mines & Area

Welcome to the beautiful, historic town of Bruce Mines & Area. Nestled on the North Shore of Lake Huron, straddling the Trans-Canada Highway, Bruce Mines & Area is a true four-season destination. Founded in 1846, our scenic town is rich in history, the arts, nature and waterways! Our roots reach back to the earliest settlements in Canada, the discovery of copper and the first copper mine in North America. Visit a 100+-year-old dollhouse at the Museum, travel underground at the Simpson Mine Shaft, or take a self-guided historical walking tour.

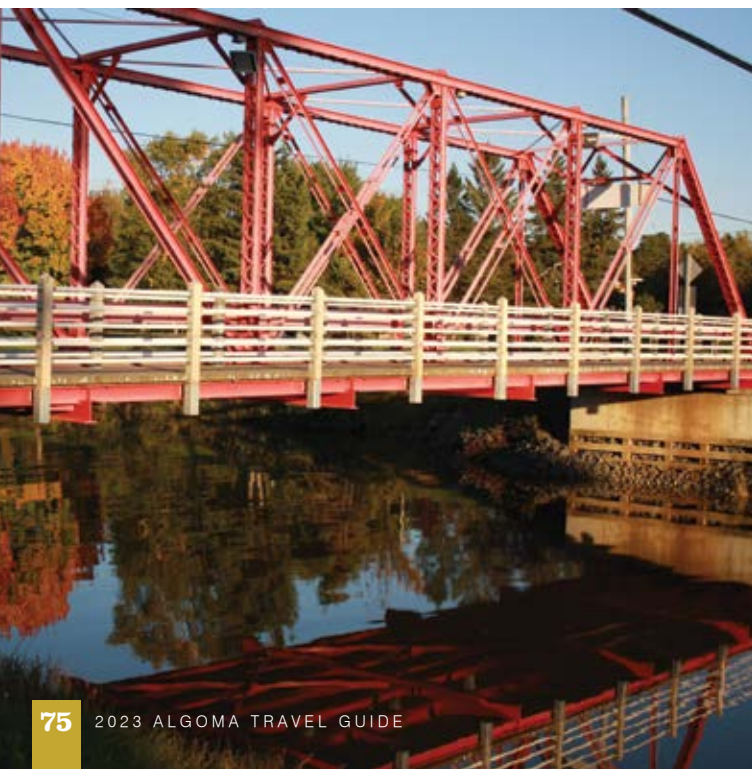

A waterway paradise awaits as you canoe, kayak and enjoy the inland lakes; rivers and streams and one of the top 5 beaches in Ontario is located within 20 km. Experience perfect sunsets and picturesque vistas! Our full-service marina is close to all amenities and is located along the waterway that stretches into the North Channel of Lake Huron; a favourite of boaters.

It's called a sportsman's paradise: fishing, hunting, resorts with amenities, snowmobile trails, snowshoeing, skiing and ice fishing. Nature is at its finest here with waterways and geologically unique formations including puddingstone, ripple rock and Gordon Lake deposit.

Hike the Kensington Conservancy's nature trails or cycle the Great Lakes Waterfront Trail. Artisans of all mediums and craftsmanship abound. Explore the recently discovered painting location of Tom Thomson's *View Over a Lake: Shore With Houses* (1912). Rolling acres of farmland supply the Farmers' Market and kiosks with local produce, maple syrup, honey, alpaca products and agri-tours.

Bruce Mines & area - A place to pause! Come as a visitor, leave as a friend! For more information contact us at (705) 785-3493, or visit our website at www.brucemines.ca

Thessalon

Now the hub of a large recreation area to the north, Thessalon was and is a lumber town set on a beautiful river mouth on upper Lake Huron. Thessalon is located 80 km (48 mi) east of Sault Ste. Marie, Ontario and the International Bridge.

Thessalon makes an excellent base for outdoor adventures like birding, canoeing, fishing, hiking, cross-country skiing and snowshoeing. Art lovers will find local artisans ready to share their works and ideas with you.

Thessalon has municipally operated campground, parks, beaches, marina, arena and trails. There is an excellent shopping district, good restaurants and fine accommodations. townofthess@thessalon.ca or visit www.thessalon.ca

Mississagi Valley

Welcome to one of the most scenic areas of Northern Ontario. The Mississagi Valley (Hwy 129) is a favourite destination for artists, photographers, and nature lovers, as well as anglers, hunters and motorsport enthusiasts. The many lakes and streams of the Mississagi Valley are home to trout, smallmouth bass, walleye, northern pike and panfish. Black bear, moose, deer and small game hunts are also available. Spring, summer and fall are all great seasons for ATVing in the Mississagi Valley. In the winter enjoy ice fishing; snowshoes and cross country skis will let you experience a different and exciting facet of nature in the Mississagi Valley at one of several year-round resorts.

Whether you prefer an American Plan Lodge, a housekeeping cottage, a bed & breakfast, a motel or a campground, the Mississagi Valley will provide you with the highest quality accommodations, and will enhance your stay by sharing their extensive knowledge of the beautiful and interesting landscape, geography, flora and fauna of this area. You are invited to visit!

Along the beautiful North Shore of Lake Huron and gateway to the Mississagi River Valley, you will find Little Rapids, Sowerby, Dayton, Iron Bridge, Dean Lake, and other historical hamlets. With a long history built on a proud pioneer and agricultural heritage be sure to visit the various points of interest found on our website from the Heritage Park Museum in Little Rapids, to the Iron Bridge Historical Museum and the Cordukes/Weber 12-sided barn in Sowerby! Visit our Events page to find events such as the Iron Bridge Agricultural Fall Fair or to find a time to visit our local farmers' markets and other local happenings.

We play all year in Huron Shores. Spring and Summer bring fishing, hiking the Voyageur Trail, cycling on the Trans-Canada Trail network, boating our many beautiful lakes, or taking part in our NEW Discover Huron Shores geocaching GeoTour. In the Fall consider a scenic drive for many photo opportunities from the vibrant Fall colours to our eagle population along the Mississagi. We also want to share our Winters! Some of the best ice-fishing happens here, or ride our snowmobile trails as part of the North Shore Loop leaving from our local staging area. With over 400 km of roads traversing remote areas, rugged terrain, beautiful farmland, and amazing lakes and rivers - come explore Huron Shores and PLAY ALL YEAR! Huron Shores offers a hometown feel and is truly a photographer's paradise. For more information visit our new website and our Tourism pages today. www.huronshores.ca

Blind River

Blind River is a stunning community located on the world-renowned North Channel. It's a unique community with the benefit of the highway as well as waterway gateways that lead you to art, history, recreation, and a year-round welcoming attitude!

The community is home to a brand-new fully accessible lollipop trail that was designed and created in partnership with Mississauga First Nation. Blind River's marine park, community beach, and downtown waterfront have all been fully-rejuvenated. These spaces are now beautiful, accessible, and safe. All people are welcome to wheel, cycle, walk, boat, fish, and meditate. Maker's Markets, monthly local activities, art shows, exhibits, and weekly summer concerts welcome tourists and locals to take pride in their community and region.

Blind River's Downtown is ready for you to grab an ice cream cone, craft supplies, get your photos taken, pick up local maple syrup, get your hair cut, pick up a homestyle lunch, or fill a prescription (either at the pharmacy or LCBO, we won't judge!), buy a bouquet of flowers, get a pedicure, buy a just-because present, redo your will, have a beer, check in with your accountant, snail-mail a love letter, or grab baking supplies!

If that list made you tired, take a seat outside of our library and enjoy the bustle of downtown with a coffee or fresh cinnamon bun. We aren't bragging when we say we have it all.

We mean it, we choose to stay, play, and live in beautiful Blind River! For more information contact the Town of Blind River:
11 Hudson Street, Blind River ON P0R 1B0

Township of The North Shore

The Township of the North Shore is comprised of 698 square kilometres, with three primary village areas of Serpent River, Spragge, and Algoma Mills. It is situated along the Highway 17 corridor 143 km (89 mi) east of Sault Ste. Marie travelling from Algoma Mills and 115 km (72 mi) west of Sudbury travelling from Spanish.

Our small friendly communities are located on the North Channel of Lake Huron and offer their visitors and residents a naturally beautiful area. No matter what the season, the Township of The North Shore has what you are looking for.

With our many lakes and rivers throughout a wilderness of beauty, we offer endless photographic opportunities with breathtaking views that you will remember for a lifetime. We can provide you with many services sure to meet your needs, including accommodations, camping areas and restaurants.

For more information about visiting the area visit our website at www.townshipofthenorthshore.ca

Elliot Lake

Come and play in Elliot Lake! We are an experience-seekers paradise with fun activities to suit everyone.

For the golfer, Stone Ridge is a championship 18-hole golf course complete with a driving range, pro shop and top-notch dining. When the grass turns to snow, Mount Dufour features 7 runs, a 320-foot vertical, 2 lifts and a terrain park.

Nestled in the idyllic wilderness of Northern Ontario, the city boasts acres of land and thousands of lakes meaning recreational opportunities are endless. Elliot Lake is home to amazing canoe and hiking routes, cross-country ski trails, snowshoeing, and much more. For those who love to swim or play in the sand, there are 2 amazing beaches with summer lifeguard monitoring. Fancy an easy stroll? The city boasts several low-impact waterside trails.

For the hunter and angler, Elliot Lake is a paradise. Vast crown land and free boat launches on multiple lakes make getting out on the boat or into the woods simple and quick.

Looking to get out on your ATV or snow machine? The “great outdoors” surrounding Elliot Lake includes a large, insured OFATV and OFSC trail network. Finding your next power sports adventure has never been easier! Best of all, your Elliot Lake adventures will never take you too far from City amenities.

Numerous restaurants, shopping and services are close at hand. Visitors will find accommodations including a hotel, lodges, B&Bs and campgrounds suiting all budgets and preferences.

Elliot Lake is truly a 4 season playground. For more information, contact 705-848-2287 ext 2406 or online at visitelliotlake.com

Spanish

Spanish is a natural pit-stop for North Channel island-hoppers or a great place to stay for a while at our modern full-service Marina with a laundromat, wireless internet, clean showers, sauna and more. Spanish is an important gateway to the North Channel being a short hop to the beautiful Benjamin Islands group and closer still to the island-speckled waters of Whalesback and McBean Channels. Spanish prides itself on being a convenient beginning, middle or ending for visits to these popular anchoring spots.

The Town of Spanish is much more than a place to simply fuel up and run. Coupled with the Waterfront Marina Complex there are many local businesses in the downtown core that can provide all the amenities needed: boat and auto repair, restaurants (licenced and unlicensed), groceries, hardware, liquor and beer store, bank, post office, gift shop and more. Medical and dental services are also available. Near the marina are a bed and breakfast, a rollerblade rink and a baseball field. For further information contact us at (705) 844-2300 or visit www.townofspanish.com

Travel Information

The information provided is for everyone and includes border crossing information by car, boat and air. There is information about what you can bring into Canada and what you need to know about bringing the family pet. You'll also find out what you can take home with you when passing through customs.

Know Before You Go

Canadian & International Travel

CROSSING THE CANADA-U.S. BORDER

All U.S. citizens aged 16 and older, entering Canada by air (including in-transit passengers who are transferring planes in the U.S.), land or water, must present one of the following documents: a passport or passport card; an Enhanced Driver's Licence; or a Trusted Traveler Program Card (SENTRI, NEXUS or FAST Card). Travellers aged 15 and under require a birth certificate for land or sea travel and a passport for air travel. For current requirements go to: cic.gc.ca.

If you are travelling with your own children under the age of 16 and your spouse, bring their birth certificates. If you are travelling with a child other than your own or without your spouse, have the child's birth certificate along with a letter of permission, including name and contact information for that child's parents/guardians or your spouse. This is needed in case Customs Officers decide to verify you have permission to bring the child into Canada. Visitors from all other countries require a valid passport and, in some cases, a visitor visa. Starting March 15, 2016, visa-exempt foreign nationals who fly to or transit through Canada will need an Electronic Travel Authorization (ETA). Exceptions include U.S. citizens and travellers with a valid visa.

FREQUENTLY ASKED QUESTIONS?

FAQs for Americans travelling outside of the U.S. are available on these two websites: www.cbsa.gc.ca or www.travel.state.gov

RESIDENTS RETURNING TO THE U.S.

If you're a U.S. resident visiting Canada for less than 48 hours, you can bring back \$200 worth of goods duty-free. For stays longer than 48 hours, the duty-free limit rises to \$800, but this \$800 limit can only be used once every 30 days. If you return for another shopping trip in less than 30 days and have already purchased \$800 worth of goods, your limit drops to \$200. People who live in the same house can combine their duty-free limits, but they must travel together. Refer to:

https://help.cbp.gov/s/article/Article-246?language=en_US

IMPORTANT NOTICE FOR U.S. RESIDENTS

If you or anyone in your party has a felony or misdemeanour conviction, you may not be allowed into Canada. This includes such offences as a DUI. Your admissibility to Canada depends on the nature of the offence, how many offences you have, as well as how long ago it occurred. If this applies to you or someone travelling with you, it is imperative you contact Immigration Canada well in advance of your arrival. You will likely have to complete some paperwork and Immigration Canada authorities will then advise you of the likelihood of being allowed into Canada. The final determination of your admissibility into Canada is only made when you cross the border.

Contact Citizenship and Immigration Canada at www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada.html or the Canadian Consulate in New York, NY www.international.gc.ca/country-pays/us-eu/new_york.aspx?lang=eng regarding any forms you may be required to fill out.

You may also wish to call an Immigration Officer at the Sault Ste. Marie, Ontario Port of Entry to discuss your situation at 1-800-461-9999 or (204) 983-3500 (outside of Canada).

WHAT CAN & CAN'T COME INTO CANADA

Residents of the United States who visit Canada are allowed to bring in a "reasonable" amount of personal goods duty-free. The amount you bring should align with your length of stay. There are limits for some of the regulated items: Alcohol, tobacco and food products. What is and what is not allowed changes frequently -- for up to date info visit www.inspection.gc.ca for current information prior to your departure.

PETS: Dogs and cats accompanying their owners from the U.S. must have current (within 36 months) rabies vaccination certificates. Owners from other countries who wish to bring their pets with them should contact 1-800-442-2342 / (613) 225-2342 / TTY 1-800-465-7735 or visit www.inspection.gc.ca

VEHICLES AND INSURANCE

Any necessary permits are issued at the port of entry. If you've rented a vehicle or trailer, make sure you bring along a copy of the rental contract, which stipulates that you have permission to use it in Canada. U.S. motorists planning to travel in Canada are advised to obtain a Canadian Non-Resident Inter-provincial Motor Vehicle Liability Insurance Card available only in the U.S. Contact your local insurance agency. For more information contact Canadian Border Services (204) 983-3500, or (506) 636-5064, or visit the website at www.cbsa.gc.ca

Note that in Ontario use of cellular and other devices is hands-free.

HOSPITALS & HEALTH INSURANCE

Most communities have hospitals and/or resident doctors. Wise travellers will check with their medical service plans to ensure they will be covered while in Canada, as health insurance plans may not extend coverage outside your country of residence. If you are taking prescription drugs, make sure that they are in the original packaging, bring an adequate supply, and bring a copy of the prescription in case you need a refill during your stay in Ontario.

If this is not possible, carry a copy of the prescription or a letter from your doctor. For more information and insurance details, contact your travel agent, insurance broker, or your employer's insurance provider.

SEAT BELTS

Ontario Law requires that adults and children over 40 lbs/18 kg in weight wear seat belts. Infants from birth to 20 lbs / 9kg in weight must travel in a rear-facing child restraint system. Toddlers weighing 20-40 lbs/9 -18 kg must travel in a forward or rear-facing child restraint seat.

CREDIT CARDS, FINANCIAL SERVICES AND U.S. FUNDS

Chartered banks are located in virtually all cities and towns. These full-service institutions are the best locations for exchanging currency. There is also a government-sanctioned Canada / U.S. currency exchange service at the International Bridge Plaza in Sault Ste. Marie and at the Duty-Free Store & Kiosk. Credit cards such as Visa, MasterCard and AMEX, are generally honoured in all communities. Be sure to check with individual businesses before or when booking accommodations to ensure they accept your card.

SALES TAX

In Ontario, a Harmonized Sales Tax (HST) of 13% applies to most purchases. For more information, contact:

- 1-800-565-9353 (inside Canada);
- 1-902-432-5604 (outside Canada);

CURRENCY

If you want to know what your money is worth in Canada, visit www.bankofcanada.ca/rates/exchange/daily-converter/ to quickly convert your currency to Canadian dollars.

BOATERS - HOW TO REPORT YOUR ENTRY

Pleasure crafts may enter Canada by trailer or under their own power. All boats powered by motors 10 HP or over must be licenced. Boat licences from outside Ontario are accepted. Operator Competency Requirements for Pleasure Craft – Regulation requires that all operators of motorized pleasure crafts have proof of competency and proof of age on board at all times. An operator card or equivalent, issued to a non-resident by their state or country, will be considered as proof of competency. Learn more at www.safeboater.com

Planning to "land" your vessel on Canadian soil or did you leave Canadian waters and land on U.S. soil? All private boaters who intend to land on Canadian soil, or who have departed Canadian waters and landed on U.S. soil, are required to report to a CBSA designated marine reporting site. Upon arrival at this designated site, call the Telephone Reporting Centre at 1-888-226-7277 from the phone provided to obtain clearance. Not planning to "land" your vessel or did you leave Canadian waters but did not land on U.S. soil? You still need to report to the CBSA. Certain private boaters may contact the CBSA by calling the TRC at 1-888-226-7277. For more info, visit www.cbsa-asfc.gc.ca/travel-voyage

ONTARIO PROVINCIAL POLICE (OPP)

For police services anywhere in Ontario, call the 24-hour toll-free 1-888-310-1122 or 1-888-310-1133(TTY).

LIQUOR OUTLETS AND THE LAW

You must be 19 or over to buy or consume liquor, wine and beer in Ontario. It is an offence to consume alcohol anywhere other than in a licenced establishment, your residence or within a reasonable distance of your residence. Ontario laws prohibit having open bottles of liquor in a location accessible to the driver of a vehicle. Please don't drink and drive! Liquor including wine and beer is available through stores run by the Liquor Control Board of Ontario (LCBO) or in smaller centers, by their authorized representative. Beer may be purchased through "The Beer Store" or directly from brewery outlets. Beer, wine and cider are now available at select grocery stores in the province of Ontario.

Drinking hours in licenced establishments are from 9 a.m. until 2 a.m. In Ontario, it is an offence to consume alcohol anywhere other than in a residence or on licenced premises.

Please note that driving motorized vehicles, including cars, trucks, ATVs, snowmobiles, and boats, while impaired is illegal. You can immediately lose your licence for 90 days for refusing to take a breathalyzer reading greater than 80mg (0.08%) of alcohol per 100mL of blood. Charges may be laid under the criminal code of Canada.

CANNABIS IN CANADA

Despite the fact that cannabis (marijuana) is legal & regulated in Canada, it remains illegal to take cannabis across Canada's national borders, whether you are entering or leaving Canada. For more info, consult cannabis (marijuana) legalization at www.canada.ca

SURTAX

Starting July 1, 2018, certain goods originating from the U.S. are subject to a surtax that will apply to commercial shipments as well as goods being imported by travellers above their personal exemptions. The list of goods

is available on the Department of Finance website. For more information, please refer to Customs Notice 18-08, Memorandum D16-1-1 and FAQs.

FIREARMS INFORMATION

Residents of the U.S. over the age of 18 may bring a hunting rifle or shotgun into Ontario for hunting purposes. You are also allowed to bring up to 200 rounds of ammunition duty-free, or up to 1,500 rounds for use at a recognized competition. Firearms are subject to a registration fee. It is suggested that you contact the Canada Firearms Centre for information before you attempt to import a firearm. Residents of the U.S. are encouraged to pre-register their firearms prior to arriving. Handguns, fully automatic weapons, modified weapons, stun guns, mace and other weapons are not allowed in Canada. Proper storage of the firearm is important so make sure you are aware of the regulations. Of special note, firearms of any kind are forbidden in many of Canada's National and Provincial Parks and adjacent areas. For more information on importing your firearm into Canada and to receive a registration form, please contact the Canadian Firearms Centre at 1-800-731-4000 or (506) 624-5380.

HUNTING REGULATIONS

Non-residents must have one of the following to obtain a hunting licence:

- 1) An Ontario non-resident hunting licence issued to you after January 1, 1968.
- 2) A hunting licence issued to you after January 1, 1968 by a competent authority in a jurisdiction where you were a resident of that jurisdiction.

3) An Ontario hunting licence verification certificate showing your licence to hunt in Ontario or that you passed the hunting license examination.

Visit www.ontario.ca/hunting or call the Ontario Ministry of Natural Resources at 1-800-667-1940.

FISHING REGULATIONS

- **Licences:** All non-residents of Canada who want to fish in Ontario require a current non-resident sports fishing licence and a non-resident Outdoors Card. Non-residents under the age of 18 may fish without a licence if accompanied by a licenced family member. Any fish caught are part of the limit of the person with the licence. Canadian residents require a resident fishing licence and a current resident Outdoors Card.
- **Bait:** You cannot bring live minnows, smelts, leeches or any other bait fish into Ontario from the United States. Night crawlers are allowed but they must be brought in containers with artificial bedding only.
- **Limits and Regulations:** With countless lakes and streams, it is important that anglers are aware of the general regulations and of any exceptions to the general regulations (e.g. specific slots or catch and possession limits) that may apply to the lake you will be fishing. Ontario's Fishing Regulations can be downloaded at www.ontario.ca/fishing

244. MUNICIPALITY OF HURON SHORES - (Storied Past, Promising Future!)

The Municipality includes the communities of Little Rapids, Sowerby, Dayton, Iron Bridge, Dean Lake and other historical hamlets. Huron Shores offers the outdoors enthusiast a myriad of choices: snowmobiling, snowshoeing, biking, horseback riding, boating, hunting and fishing offer year-round recreation. Golf courses and cross-country skiing trails are located nearby in neighbouring communities. Visit the vast Kirkwood Forest with its stands of red pine or hike along the Voyageur Trail. In 2017, the Great Lakes Lake Huron North Channel Waterfront Trail was completed connecting Sudbury to Sault Ste. Marie. The Trail in Huron Shores extends almost 50 km and a portion of the route takes the traveller off TransCanada Hwy 17 through picturesque farm country, and forests of rolling hills and inland lakes. We are also the entrance to the Mississagi Delta Provincial Nature Reserve, marking the mouth of the largest river flowing into Lake Huron. In the autumn, the Deer Trail Route provides a spectacular scenic drive. Tel: (705) 843-2033
