# Family Fishing

WRITTEN BY MARK MELNYK

**W**e packed up the truck and started the drive north and our kids had no idea what was going on. We were taking our two boys on their first-ever dedicated fishing vacation. We were headed to Algoma Country!

Fishing in Algoma Country is excellent with a variety of lodging opportunities and species for which to fish throughout the area. There are three levels of hospitality service at fishing lodges and outfitters here.

DIY – Do It Yourself, such as a remote outpost camp, Housekeeping Plan where you cook for yourself and can come and go as you please (managers are on site) and the American Plan level of service where everything is looked after at the lodge including housekeeping service, all meals and often fishing guides. We decided we were going to do a split between housekeeping and full American Plan at a wonderful lodge on the water located between two lakes teeming with northern pike, walleye, and smallmouth bass to name a few.

Family fishing in Algoma is an accessible and extremely easy, affordable, and fun way to get away. With so much water and so many unpressured lakes and rivers, families can explore freely in hopes of creating memories to last. With Algoma just an 8-hour drive from Toronto, or simply across the border from Sault Ste. Marie, Michigan, a long weekend away in Algoma is perfect for a quick adventure trip away.

We arrived at our cabin, got settled and all sat down to plan the next two days of adventuring. All the kids wanted to do was fish. Jen, my better half, was laidback and we both were keen to let the boys have fun doing whatever they wanted, be it hiking, swimming, lying around and reading (*yeah right*) or going fishing.

After they decided they wanted to fish both days, we broke out the cards and played a few rousing games of Crazy Eights (the kids wanted to play). After a few hands, the boys went to bed and we poured a glass of wine and sat out by our private bonfire ring to talk, to catch up. Let's be clear, we did not discuss homework, shopping, bills, visiting family and all the other things that make up our day-to-day... We actually talked! The night was cloudless and warm. It was idyllic.

The next morning after a wonderful breakfast, we were on our way, maps in hand, rods at the ready. The kids had a blast catching and releasing fish most of the day which was simply wonderful to watch. The day was perfect with the boys only putting down their fishing rods periodically for a dip in the lake. We fished until mid-afternoon and decided to head back to the cabin to freshen up for dinner. Lots of fish were caught and lots of laughs were had.

It's a nice thing to experience, coming back from a day on the water to find dinner made and waiting for you at the lodge. We ate family style, all together, at one table and recalled our day on the water. We headed back to the cabin for evening festivities; not before however the boys swam once again from the beach. Crazy Eights and campfire ensued under the stars, and we all tucked in early to be ready for the next day's adventures.

We did the same thing the following day – Fish, eat, sleep repeat and it was perfect!

This is a typical family fishing weekend one can experience in many of Algoma Country's fishing lodges and outfits. Sure, the fishing is the reason for making this family trip to Ontario's north, however, the benefits to every single family member are invaluable. It's been a year since that trip and our boys still talk about it like it JUST ended. Watching them smile by campfire light, watching them beam with the catch and release of trophy smallmouth bass, watching Mom smile at her kids playing on the beach and not having a literal care in the world makes these trips so very important.

I used to dislike playing cards...now, I can't wait for the boys to break them out.

# Fly-in Fishing

An Adventure That Remote.

**F**or generations, the bushplane has transported anglers, intrepid explorers, eager prospectors and thrill-seekers into the heart of Northern Ontario's untamed lakes. Even today, the bushplane remains the only way to access many of Algoma's most coveted fishing lakes. The quintessential Canadian adventure should be on every angler's bucket list. Flying into a remote lake means travelling to a place where few have ventured. The options are limitless – from selecting backcountry outpost cabins to a full-service luxury lodge. Imagine the exhilaration of a seamless takeoff from the water, swiftly ascending where clouds frame

the sky and the breathtaking view of the landscape below that can only be seen from the air. The number one reason to choose this type of trip is to experience spectacular fishing in solitude and the peacefulness of the wild.

Regional air services are piloted by the best bush pilots that fly out of Wawa, White River, Hornepayne, Hawk Junction, Chapleau, Foleyet, Nakina, Armstrong, Hearst, Algoma Mills, Elliot Lake, and Blind River. If you have a shore lunch fire, remember the rules:

- Build the fire on bare soil or rock in a location sheltered from the wind.
- Make sure the fire is a safe distance from all flammable material, including overhanging branches.
- Keep the fire small and tend it all the time.
- Put the fire out. Soak it with water, stir the ashes and soak again until the ashes are cold to the touch.

# 6 Ways to Experience Indigenous Tourism

WRITTEN BY LINDSAY DAVIES

**I**ndigenous tourism is an incredible way for locals and visitors alike to learn more about the true history of what is now Canada, these lands we live on, and the beautiful traditions that have carried on since time immemorial. If you're interested in experiencing some of the local Indigenous tourism opportunities Algoma Country has to offer, here are a few ideas to get you started.

## 1. TAKE AN INTERPRETIVE GUIDED WALKING TOUR

What better way to learn about the history of where you are than with a guided Indigenous tour? Get to know a city on foot as you walk past local landmarks and learn about important events and traditions that have shaped the area. You'll be surprised at how much knowledge and history stands right before your very eyes!

## 2. GO FOR A PADDLE WITH AN INDIGENOUS GUIDE

Another option is to explore your destination by the water. Some Indigenous tour companies offer guided paddles where you can explore traditional trading and transportation routes. Learn about the rich history that follows these paths as well as knowledge about the flora and fauna found along them.

### 3. ATTEND A POW WOW

A celebration of song, drum and dance, this ceremony is a festival of sorts. Community members come together to celebrate and honour the traditions of Pow Wow including the styles of dance, the skill of the dancers, the talent found within the drum circle and honour the ancestors. In most cases, all are welcome and visitors can even participate in inter-tribal dances! There are also talented Indigenous artisans as well as food vendors. Speaking of food, sharing a meal is the perfect way to bring people together! Indigenous cuisine has a deep connection to the local community.

### 4. VISIT THE CULTURALLY SIGNIFICANT SITES

We're very fortunate in Algoma to have a number of unique destinations that have been important to local Indigenous communities since time immemorial. They help shape the beautiful landscape we know and love! Spend some time exploring these sites but remember that you are a guest here. These sites have incredible significance to the local Indigenous communities. Follow "Leave No Trace" principles and ensure to treat these areas with the utmost respect.

### 5. STAY AT INDIGENOUS-OWNED ACCOMMODATIONS

A fantastic way to support the local community is by staying in Indigenous-owned hotels, accommodations and campgrounds. Indigenous Peoples have been living on these lands for thousands of years and continue to extend their incredible hospitality to visitors. Whether you enjoy a getaway to a remote hunting lodge or a cozy inn, you'll be well-rested for wherever your journey takes you.

### 6. VISIT AN INDIGENOUS RETAILER

There are so many talented artisans that create unique jewellery, clothing, paintings and more. See if your destination has a shop celebrating local artisans or visit a local trading post as they often have items from Indigenous creators.

Looking to explore further? Head to the website at [www.indigenousexperienceontario.ca](http://www.indigenousexperienceontario.ca) for more details on how to experience Indigenous Tourism in Algoma Country and Ontario.

# Eat & Shop

Food & Shopping That Unique.

**T**his region has its own unique taste of place promising a symphony of Northern flavours to tantalize your taste buds. Wild blueberries lend their vibrant hues to desserts, the revered Friday night tradition of savouring locally caught fish in a crispy fry, and the liquid gold that is maple syrup. Experience the rhythm of craft breweries crafting hoppy delights and the award-winning allure of Loon Vodka from Hearst. Sault Ste. Marie is renowned for its Italian food and pizza parlours. Let your palate wander the world with Polish perogies, Croatian cabbage rolls, the zest of a West Indian curry, and a favourite sushi hotspot.

Commemorate your vacation with Canadian-made crafts and souvenirs, or a piece handcrafted by local and Indigenous artisans. Woodworking, pottery, paintings and artwork are Algoma must-haves. One-of-a-kind eccentric collectibles, racks of vintage clothes, vinyl records, and furniture can be found at antique and vintage shops. Our local shops and fine retailers across the region offer beautiful clothing, home decor and gifts. Algoma is home to one of the largest shopping malls in Northern Ontario, the Station Mall, located in downtown Sault Ste. Marie. Shopping in the region is as unique as the surrounding landscapes.

# That friendly.

A couple is seen from behind, sitting on a wooden bench on a dock. They are looking out over a calm lake towards a sunset. The sun is low on the horizon, casting a warm, golden glow across the sky and reflecting on the water. In the distance, there are silhouettes of trees and a few structures on the shore. A dog is sitting on the dock to the left of the couple.

## Cities & Towns

Visit Algoma Country's amazing communities, participate in festivals and events, and enjoy one-of-a-kind attractions in the region. With Lake Superior to the North and Lake Huron to the East, Algoma is the gateway to both of these Great Lakes.

## Sault Ste. Marie

**S**ault Ste. Marie is emerging as one of Ontario's best adventure towns. From mountain biking along some of the new and ever-expanding trails in Kinsmen Park and the Hiawatha Highlands to paddling along the St. Marys River waterfront, the Soo has outdoor adventures for all ages.

Originally named Baawaating, meaning 'Place of the Rapids,' Sault Ste. Marie has a long history of being a traditional gathering place, and to this day remains a meeting place of cultures with residents and tourists hailing from all over the world. The rapids' incredible fishing is another major draw to the city and contains what Ernest Hemmingway described as 'the best rainbow trout fishing in the world.' The rapids' easy access to the downtown, plus the number of expert guides available means you can easily partake in this truly bucket-list experience during your visit.

The Soo is also the perfect place to relax. Visitors can stroll along the beautiful waterfront boardwalk watching boats and 'lakers' locking through between Lake Huron and Lake Superior. Several patios and restaurants along the waterfront offer refreshments, as well as picturesque views of the water. For a family activity the boardwalk is a send-off point to the 22.5 km Hub Trail city loop; a walking or biking path that circles the city passing many great stops along the way.

Visit in the winter for some of the best cross-country skiing in North America, plus nearby Searchmont Resort has some of the highest vertical downhill skiing in the area.

Sault Ste. Marie's downtown comes alive in the winter with the beautiful Clergue Park ice-skating rink, and there are also countless opportunities for snowshoeing and popular fat biking throughout the city.

Major attractions include Agawa Canyon Tour Train, Miss Marie Sault Lock Tour, Art Gallery of Algoma, Canadian Bushplane Heritage Centre, Entomica, Ermatinger-Clergue National Historic Site & Discovery Centre, Gateway Casino Sault Ste. Marie, Hiawatha Highlands, Sault Ste. Marie Canal National Historic Site, Sault Ste. Marie Museum, Searchmont Resort, Stokely Creek Lodge, and the Waterfront Adventure Centre.

**T**aking a ride on the tour train, or just visiting Sault Ste. Marie? Be sure to grab your swimsuit, fishing gear, camera, cross country skis or snowmobile and head up Highway 17 North where you have the choice of tent and trailer parks, motels, cabins and resorts. Travel to Batchawana Bay, home to miles of sandy beaches, picnic areas, gift shops and much more. Highway 17 North to Montreal River Harbour is prime touring country for mid-September to mid-October when the greens of summer transform into an explosion of spectacular fall colours.

## Wawa

**T**he community of Wawa takes its name from the Ojibwe word Wawungonk, which has been translated as “place of clear water” – a meaning that still resonates today. The hub of a vast wilderness vacation area, this town of 3,000 is located at the junction of Highway 17 and 101, 227 km (150 mi) north of Sault Ste. Marie. To visitors, Wawa is well known for its famous Goose Monument, which stands overlooking Trans Canada Highway 17. Wawa’s location on the northeastern shore of Lake Superior and surrounded by inland lakes make it an attractive destination for boating, fishing, and other adventures. The Wawa Tourist Information Centre is located at the junction of Highway 17 and 101. Open from May to the last week of September. ## Chapleau

**J**oin us at our waterfront park which includes a splash pad, playground, picnic area, swim area, and public boat launch! Be sure to stop in our picturesque town and become lost in the splendour of Northern Ontario’s beauty. Chapleau is a historic community founded in 1901 and is still thriving today. Crowned Ultimate Fishing Town (2011) winner of Angler’s Atlas Ontario Ice Fishing Challenge 2022; and a community deeply connected to some of Ontario’s great waterways.

Whitewater enthusiasts come from around the globe to paddle the Missinaibi River all the way to Moosonee or navigate the Chapleau – Nemegosenda loop. Outdoor recreation such as paddleboarding, kayaking, camping and ATVing are also available in the Chapleau area. Wildlife and bird watchers come in search of the white moose at Foleyet, loons on a calm lake, and black bears at their best. Anglers find walleye, pike, perch, and more. Hunters also know Chapleau as a destination for big and small game.

Enjoy lakeside cabins, relaxing hikes, and incredible sunsets. Views of the Milky Way and Northern Lights make Chapleau a special location for photographers and stargazers. Take in some local culture at the Collins Art Gallery (69 Birch Street) or the Chapleau Centennial Museum (94 Monk Street) / Travel Information Centre. RVers have access to the RV dump station (4 Maple Street).

If winter is your time of year, come and experience our spectacular snowmobile trail network, drop a line through the ice on one of our countless lakes, compete in our annual Pike Ice Fishing Derby, or attend the Taste of the North Winter Carnival. Chapleau is also home to a golf course, fine retail stores, restaurants, parks, and modern health care facilities.

Chapleau is easily accessible by road (Highway 129 or Highway 101) and by rail on the Via Rail network. Visitors may reach us year-round by calling (705) 864-1330, visiting us online at [www.chapleau.ca](http://www.chapleau.ca), or stop by the Chapleau Travel Information Centre / Centennial Museum from May to September.

## St. Joseph Island

**M**any colourful stories – some legend, some historical fact — are told about St. Joseph Island, the 2nd largest freshwater island in the world, situated in the channel between Lakes Huron and Superior. About 45 km (28 mi) long and 24 km (15 mi) wide, the 140,000-acre island is 56 km (28 mi) east of Sault Ste. Marie via Highways 17 and 548. Originally named Anipich, the Ojibwe word for “place of the hardwood trees”, the Island was given its present name by Jesuit missionaries to honour the patron saint of a new Indian church they were building. St. Joseph Island has been listed as the ideal destination for “ride and bike” cyclists. Whether you’re an avid cyclist, a weekend enthusiast, or just cycle for fun and fresh air, St. Joseph Island offers the perfect mix of rolling hills, canopied side roads, picturesque vistas, low traffic rates and friendly services for distance riding or circular routes.

Fort St. Joseph National Historic Site of Canada is a must-see stop. The British chose St. Joseph Island as the ideal location for a fort because of its proximity to Fort Mackinac, the navigation routes controlling the fur trade and access to the Great Lakes. It was from Fort St. Joseph that a surprise invasion took place in 1812, leading to the capture of the American Fort on Mackinac Island.

The Island is linked to the mainland by a toll-free bridge, opened in 1972.

With full-service marinas, libraries, public beaches and trails within easy walking distance of the business centre, St. Joseph Island has something for everyone.

The two villages, Hilton Beach and Richards Landing, have a variety of businesses to serve the traveller, as well as hosting many community events.

## Hilton Beach

**T**he beautiful Village of Hilton Beach offers many amenities including, a general store, post office, motel, seasonal tourist park (with trailer hook ups), a public library, playgrounds, a boardwalk and a public beach. Visitors are invited to walk around the Village and experience the local wildlife including otters, muskrats, deer, and an abundance of birds and butterflies. Our full-service marina is one of the largest in the North Channel and one of the most scenic on the Great Lakes.

Hilton Beach hosts unique events all summer long including one of the largest art shows in the area, a classic car show, and a community night parade & festival.

For more information visit our website at [www.hiltonbeach.com](http://www.hiltonbeach.com) or email [info@hiltonbeach.com](mailto:info@hiltonbeach.com)

## Richards Landing

**T**he Township of St. Joseph, which includes Richards Landing, was incorporated in 1876. Richards Landing is the largest settlement on the Island and provides a wide range of recreational, cultural, health, entertainment, business and financial services to the Island community. You'll find unique shops and eateries in Richards Landing, historic sites of interest, as well as many exciting events and festivals during the summer and fall months such as annual art shows, music festivals, maple syrup festival and the "Just Passin' Through" concert series to name a few.

The Richards Landing Municipal Marina is a full-service marina with showers and laundry, pump-out, free internet service for boaters and exceptional waterfront dining, all within steps of the downtown business area. The view of the Bridge and the St. Joseph Channel is not to be missed.

## Blind River

**B**lind River is a stunning community located on the world-renowned North Channel. It's a unique community with the benefit of the highway as well as waterway gateways that lead you to art, history, recreation, and a year-round welcoming attitude! The community is home to a brand-new fully accessible lollipop trail that was designed and created in partnership with Mississauga First Nation. Blind River's marine park, ice arena, visitor's centre, community beach, and downtown waterfront have all been fully rejuvenated. These spaces are now beautiful and safe. All people are welcome to wheel, cycle, walk, boat, fish, and meditate. Maker's Markets, monthly local activities, art shows, exhibits, and weekly summer concerts welcome tourists and locals to take pride in their community.

Blind River's Downtown is ready for you to grab an ice cream cone, craft supplies, get your photos taken, pick up local maple syrup, get your hair cut, pick up a homestyle lunch, or fill a prescription (either at the pharmacy or LCBO, we won't judge!), buy a bouquet of flowers, get a pedicure, buy a just-because present, redo your will, have a beer, check in with your accountant, snail-mail a love letter, or grab baking supplies! If that list made you tired, take a seat outside of our library and enjoy the bustle of downtown with a coffee or fresh cinnamon bun. We aren't bragging when we say we have it all.

Each fall, everyone is welcome to join in with the Blind River Witches to face downtown. This amazing dance display, market, and game area is so much fun. Following that event, Timber Village Museum hosts its Twilight Trail (geared to kids aged 1-7) where spooky decorations, sweet treats, and a stroller-friendly route await!

On November 1st, everyone is invited to bring their Hallowe'en jack-o-lantern to the downtown accessible path. Pumpkins will be lit for a cheerful waterfront walk. Pumpkins will be collected for compost! We mean it, we choose to stay, play, and live in beautiful Blind River!

For more information contact the Town of Blind River:

## Spanish

**S**panish is a natural pit-stop for North Channel island-hoppers or a great place to stay for a while at our modern full-service Marina with a laundromat, wireless internet, clean showers, sauna and more. Spanish is an important gateway to the North Channel being a short hop to the beautiful Benjamin Islands group and closer still to the island-speckled waters of Whalesback and McBean Channels. ## Travel Information

This information is for everyone and includes border crossing information by car, boat and air. There is information about what you can bring into Canada and what you need to know about bringing the family pet. You'll find what you can take home when passing through Customs.

# Know Before You Go

## Canadian & International Travel.

### CROSSING THE CANADA-U.S. BORDER

All U.S. citizens aged 16 and older, entering Canada by air (including in-transit passengers who are transferring planes in the U.S.), land or water, must present one of the following documents: a passport or passport card; an Enhanced Driver's Licence; or a Trusted Traveler Program Card (SENTRI, NEXUS or FAST Card). Travellers aged 15 and under require a birth certificate for land or sea travel and a passport for air travel. For current requirements go to: [cic.gc.ca](http://cic.gc.ca).

If you are travelling with your own children under the age of 16 and your spouse, bring their birth certificates. If you are travelling with a child other than your own or without your spouse, have the child's birth certificate along with a letter of permission, including name and contact info for that child's parents/guardians or your spouse. This is needed in case Customs Officers decide to verify you have permission to bring the child into Canada. Visitors from all other countries require a valid passport and, in some cases, a visitor visa. Starting March 15, 2016, visa-exempt foreign nationals who fly to or transit through Canada will need an Electronic Travel Authorization (ETA). Exceptions include U.S. citizens and travellers with a valid visa.

### RESIDENTS RETURNING TO THE U.S.

If you're a U.S. resident visiting Canada for less than 48 hours, you can bring back \$200 worth of goods duty-free. For stays longer than 48 hours, the duty-free limit rises to \$800, but this \$800 limit can only be used once every 30 days. If you return for another shopping trip in less than 30 days and have already purchased \$800 worth of goods, your limit drops to \$200. People who live in the same house can combine their duty-free limits, but they must travel together. Refer to:

[https://help.cbp.gov/s/article/Article-246?language=en\\_US](https://help.cbp.gov/s/article/Article-246?language=en_US)

### IMPORTANT NOTICE FOR U.S. RESIDENTS

If you or anyone in your party has a felony or misdemeanour conviction, you may not be allowed into Canada. This includes such offences as a DUI.

Your admissibility to Canada depends on the nature of the offence, how many offences you have, as well as how long ago it occurred. If this applies to you or someone travelling with you, it is imperative you contact Immigration Canada well in advance of your arrival. You will likely have to complete some paperwork and Immigration Canada authorities will then advise you of the likelihood of being allowed into Canada. The final determination of your admissibility into Canada is only made when you cross the border.

Contact Citizenship and Immigration Canada at [www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada.html](http://www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada.html) or the Canadian Consulate in New York, NY [www.international.gc.ca/country-pays/us-eu/new\\_york.aspx?lang=eng](http://www.international.gc.ca/country-pays/us-eu/new_york.aspx?lang=eng) regarding any forms you may be required to fill out.

You may also wish to call an Immigration Officer at the Sault Ste. Marie, Ontario Port of Entry to discuss your situation at 1-800-461-9999 or (204) 983-3500 (outside of Canada).

### WHAT CAN & CAN'T COME INTO CANADA

Residents of the United States who visit Canada are allowed to bring in a "reasonable" amount of personal goods duty-free. The amount you bring should align with your length of stay. There are limits for some of the regulated items: Alcohol, tobacco and food products. What is and what is not allowed changes frequently -- for up to date info visit [www.inspection.gc.ca](http://www.inspection.gc.ca) for current information prior to your departure.

**PETS:** Dogs and cats accompanying their owners from the U.S. must have current (within 36 months) rabies vaccination certificates. Owners from other countries who wish to bring their pets with them should contact 1-800-442-2342 / (613) 225-2342 / TTY 1-800-465-7735 or visit [www.inspection.gc.ca](http://www.inspection.gc.ca)

## HOSPITALS & HEALTH INSURANCE

Most communities have hospitals and/or resident doctors. Wise travellers will check with their medical service plans to ensure they will be covered while in Canada, as health insurance plans may not extend coverage outside your country of residence. If you are taking prescription drugs, make sure that they are in the original packaging, bring an adequate supply, and bring a copy of the prescription in case you need a refill during your stay in Ontario.

If this is not possible, carry a copy of the prescription or a letter from your doctor. For more information and insurance details, contact your travel agent, insurance broker, or your employer's insurance provider.

## SEAT BELTS

Ontario Law requires that adults and children over 40 lbs/18 kg in weight wear seat belts. Infants from birth to 20 lbs / 9kg in weight must travel in a rear-facing child restraint system. Toddlers weighing 20-40 lbs/9 -18 kg must travel in a forward or rear-facing child restraint seat.

## CREDIT CARDS, FINANCIAL SERVICES AND U.S. FUNDS

Chartered banks are located in virtually all cities and towns. These full-service institutions are the best locations for exchanging currency. There is also a government-sanctioned Canada / U.S. currency exchange service at the International Bridge Plaza in Sault Ste. Marie and at the Duty-Free Store & Kiosk. Credit cards such as Visa, MasterCard and AMEX, are generally honoured in all communities. Be sure to check with individual businesses before or when booking accommodations to ensure they accept your card.

## SALES TAX

In Ontario, a Harmonized Sales Tax (HST) of 13% applies to most purchases. For more information, contact:

- 1-800-565-9353 (inside Canada);
- 1-902-432-5604 (outside Canada);
- [www.cra-arc.gc.ca](http://www.cra-arc.gc.ca)

## CURRENCY

If you want to know what your money is worth in Canada, visit [www.bankofcanada.ca/rates/exchange/daily-converter/](http://www.bankofcanada.ca/rates/exchange/daily-converter/) to quickly convert your currency to Canadian dollars.

## BOATERS - HOW TO REPORT YOUR ENTRY

Pleasure crafts may enter Canada by trailer or under their own power. All boats powered by motors 10 HP or over must be licenced. Boat licences from outside Ontario are accepted. Operator Competency Requirements for Pleasure Craft – Regulation requires that all operators of motorized pleasure crafts have proof of competency and proof of age on board at all times. An operator card or equivalent, issued to a non-resident by their state or country, will be considered as proof of competency.

## FISHING REGULATIONS

• **Licences:** All non-residents of Canada who want to fish in Ontario require a current non-resident sports fishing licence and a non-resident Outdoors Card. Non-residents under the age of 18 may fish without a licence if accompanied by a licenced family member. Any fish caught are part of the limit of the person with the licence. Canadian residents require a resident fishing licence and a current resident Outdoors Card.

• **Bait:** You cannot bring live minnows, smelts, leeches or any other bait fish into Ontario from the United States. Night crawlers are allowed but they must be brought in containers with artificial bedding only.

• **Limits and Regulations:** With countless lakes and streams, it is important that anglers are aware of the general regulations and of any exceptions to the general regulations (e.g. specific slots or catch and possession limits) that may apply to the lake you will be fishing. Ontario's Fishing Regulations can be viewed at [www.ontario.ca/fishing](http://www.ontario.ca/fishing)
